

# KORBAN<sup>®</sup>

Korban Professional, a prominent Brazilian company, has been leading the professional hair cosmetics market since 2009. Our essence is defined by a strong commitment to nanotechnology, sustainability, and innovation, enabling us to provide exquisite hair care products.

Each product is meticulously designed, with the most advanced technology with high-quality ingredients, resulting in remarkable achievements for hair health and beauty.

We ardently adhere to sustainability, reflecting our deep respect for the environment.

This innovative approach sets us significantly apart from other companies in the industry.

Korban Professional's renowned excellence transcends the borders of Brazil, as we export our products to over 25 countries. Our proven track record of success and the complete satisfaction of our customers attest to our strong position in the global hair cosmetics market.

## MAIS LISS

### ACTIVE INGREDIENTS

Hyaluronic Acid, Açai and Brazilian Nut Oil, Karite Butter, Amino Acids.

DISCOVER THE TRANSFORMATIVE POWER OF MAIS LISS NANOGLASS TREATMENT!

Mais Liss Smoothing Treatment provides flawless straightening or reduces unwanted frizz. Its innovative, gentle, and highly effective formula delivers amazing and long-lasting results.

The secret of our product lies in the perfect synergy between enzymes and organic acid proteins. These powerful ingredients work on the hair fiber strands, reshaping the hair and providing a stunning new look.

### HOW TO USE

**NANOGLASS** - With clean hair, apply with the aid of a brush, leaving 1 cm away from the scalp. Let it act for 50 minutes, then rinse and dry the full hair.

Divide the hair into thin strands and iron each strand from 10 to 15 times.

**SHAMPOO** - Apply to damp hair, massage and rinse. Repeat the operation 2-3 times.

**BALM** - Apply the product on damp hair, massage. Let it act for 5 minutes, then rinse well.

# MAIS LISS BLOND

## ACTIVE INGREDIENTS

Hyaluronic Acid, Açai and Brazilian Nut Oil, Karite Butter, Amino Acids.

## DISCOVER THE TRANSFORMATIVE POWER OF MAIS LISS NANOGLASS TREATMENT!

Mais Liss Smoothing Treatment provides flawless straightening or reduces unwanted frizz. Its innovative, gentle, and highly effective formula delivers amazing and long-lasting results. The secret of our product lies in the perfect synergy between enzymes and organic acid proteins. These powerful ingredients work on the hair fiber strands, reshaping the hair and providing a stunning new look.

# HYDRA BRAZILIAN KERATIN

## ACTIVE INGREDIENTS

Vegetable Oat, Açaí, Buriti, Argan.

HYDRA SHAMPOO promotes dilation of cuticles preparing strands to receive the conditioning treatment. Enriched with Açaí, Buriti and Oat, it keeps your hair clean and bright. Ready to receive the treatment.

HYDRA BRAZILIAN KERATIN is prepared with vegetable extracts of Açaí, Buriti, typical Brazilian fruits that present affinity with hair surface providing high conditioning, conferring lightness, softness and intense brightness to your hair. Enriched with Argan and polyphenols of tamarind mousse, rich in high molecular weight polysaccharides, it strengthens the hair providing nutrition and lightness to the strands. The outcome is a strong hair, highly nourished with flexibility and intense brightness

## HOW TO USE

SHAMPOO - Apply a small amount on the wet hair, massage until obtaining bubbles. Wait for some minutes. Rinse, repeat the operation if necessary.

MASK - Apply on dry hair, lock by lock, dry and apply hair straightener. Then rinse with abundant water.

## LIFTING HAIR

### ACTIVE INGREDIENTS

Coconut Oil, Panthenol, Hydrolyzed Wheat Protein, Tannin.

The powerful ally for volume reduction, hair shielding, and smoothing. Its exclusive formula, enriched with Amino Acids, Argan Oil, Coconut Oil, and Macadamia Oil, provides incredible smoothness and intensive repair, replenishing essential nutrients and restoring the hair fiber.

### HOW TO USE

Wash the hair with the cleaning shampoo, rinse thoroughly and remove excessive moisture from the strands with a towel. With clean hair, apply with the aid of a brush, leaving 1 cm away from the scalp. Let it act for 30 minutes, then rinse and dry the full hair. Divide the hair into thin strands and iron each strand from 10 to 15 times.

## ZERO FRIZZ ROYAL HONEY

### ACTIVE INGREDIENTS

Honey, Royal Jelly, Rosehip Oil.

Developed to eliminate frizz and reduce hair volume, Zero Frizz acts directly on the hair structure by treating it and aligning the hair fibers. This outstanding product smooths the curls, keeping its main structure, eliminating all the frizz and undesirable volume.

The sugars present in its formulation serve as energizers and exfoliants for the cuticle, removing all imperfections and acting as a substrate for the hair fiber to be nourished and treated, resulting in extremely soft and shiny strands. This treatment also plays a role in regenerating the cuticle, having a healing action due to the synergy of rosehip oil and the polyphenols that come from honey molecules.

### HOW TO USE

After washing your hair with shampoo, apply Zero Frizz Honey with a brush throughout the length of the hair. Leave on for 30 minutes, then rinse. The hair can be finished with a brush and straightener.

## BTOX BRAZILIAN CACAU

### ACTIVE INGREDIENTS

Cocoa, Argan, Coconut Oil.

Developed with cocoa butter obtained by pressing the cocoa seeds, it is rich in oleic, palmitic and linoleic oil, being ideal for lipid replacement, repair and restructuring of the hair fiber. Enriched with polyphenols, Argan and Coco, it is a powerful combination that nourishes and realigns the cuticular structure. It penetrates the hair cuticle, fortifying the hair fiber, promoting nutrition and an intensive repair.

### HOW TO USE

Wash the hair with the cleaning shampoo, rinse thoroughly and remove excessive moisture from the strands with a towel. Then, with the aid of a brush, apply Brazilian Cocoa BTOX on the hair. Wait for 20 to 40 minutes, rinse and finish it as you wish.

## OIL PREMIUM UNIDOSE

### ACTIVE INGREDIENTS

Argan, Ojon and Monoi.

Concentrated and immediate treatment ampoule that will revolutionize instant hair care. It has an immediate response for the hair who has been through extremely damaged or a chemical process. Our exclusive formula features a blend of premium oils, Argan, Ojon, and Monoi, to deliver incredible results.

### HOW TO USE

Pour 1/3 of the contents of the vial in a bowl, add 35 ml of water, mix using brush until obtaining a cream. Apply to damp hair, massage, allow it to act for a few minutes, and rinse.

## ESSENTIAL DOSE

### ACTIVE INGREDIENTS

Rosemary Oil, Lavender.

The Essential Dose provides a quick and effective treatment, restoring the health and vitality of the strands. Lavender provides a soothing sensation, while rosemary deeply strengthens and revitalizes each strand. With visible results from the first application, this ampoule is the ideal solution to recover the beauty and strength of your hair in a practical and convenient way.

### HOW TO USE

Place a small amount on wet hands, activate by rubbing hands together, apply to damp hair, massaging throughout the length of the strands. Leave on for 3 to 10 minutes, then rinse.

## NO YELLOW

### ACTIVE INGREDIENTS

Açaí, Vitamin E, Grape Seed Oil.

With a formula rich in Brazilian actives and antioxidants, the No Yellow ampoule acts directly on the core of hair fibers. Its main function is to neutralize the yellow tones of blonde hair, revitalizing them immediately. Açaí and grape seed oil work together to combat free radicals and prevent oxidation and yellowing of the strands, providing vibrant and well-conditioned hair.

### HOW TO USE

Place a small amount on wet hands, activate by rubbing hands together, apply to damp hair, massaging throughout the length of the strands. Leave on for 3 to 10 minutes, then rinse. It can also be added in small quantities to other types of treatments.

# AMAZON OILS

## ACTIVE INGREDIENTS

Açaí, Brazilian Nut, Pracaxi.

The exotic Amazonian oils are incredible actives that can treat any type of hair. The Amazonian oils ampoule will hydrate and revitalize any type of hair immediately, bringing it back to life and giving it immense shine. Its deep action regenerates the hair's lipid layer, which is responsible for keeping the strands hydrated and protected from external agents.

## HOW TO USE

Place a small amount on wet hands, activate by rubbing hands together, apply to damp hair, massaging throughout the length of the strands. Leave on for 3 to 10 minutes, then rinse.

## POWER DOSE ROYAL HONEY

### ACTIVE INGREDIENTS

Honey, Royal Jelly, Rosehip Oil.

The Power Dose Royal Honey is the perfect synergy of three powerful ingredients: Honey, Royal Jelly, and Rosehip Oil to provide complete nutrients to the hair fiber. With its rejuvenating action, it immediately restores damaged strands. Your hair will become shinier, stronger, and deeply hydrated in a matter of minutes.

### HOW TO USE

Apply on a clean and damp hair, massaging into each strand. Leave on for 10 minutes and rinse thoroughly.

## SOS REPAIR

### ACTIVE INGREDIENTS

Amino Acids, Marine Algae, Coconut Oil, Macadamia, Panthenol.

Carbon replacement is essential to restore the health of damaged and dry hair. S.O.S Korban is formulated with Microencapsulated Oils, D'Panthenol, and Amino Acids, active ingredients that work to rebuild the lost carbon bonds in chemical processes, strengthening the connections between the Amino Acids that make up keratin.

### HOW TO USE

**SHAMPOO** - With damp hair, apply S.O.S Shampoo, massage, rinse and repeat the process.

**MASK** - Apply a generous amount to clean, damp hair, strand by strand. Leave on for 20 minutes and rinse off.

**FINISHER** - With clean, damp hair, apply a small amount to the entire length of the strands. Comb and style as desired.

# MASK NUTRE REPAIR

## ACTIVE INGREDIENTS

Coconut Oil, Biotin, Amino Acids and Pro Vitamin B5.

With numerous benefits, Mask Nutre Repair deeply nourishes the strands, providing essential nutrients to restore hair health. It promotes hydration and strengthens the hair fiber, leaving the hair more resilient and with a revitalized appearance. One of its main features is the ability to quickly balance the pH of the strands, making it ideal for use after chemical processes such as coloring, relaxing, and keratin straightening.

Available in 250gr and 1kg.

## HOW TO USE

Apply a generous amount of the mask to clean, damp hair. Massage and leave on for 20 minutes, then rinse off.

# MASK OIL PREMIUM

## ACTIVE INGREDIENTS

Argan, Açaí, Marula, Pracaxi.

Ultra-hydrating mask with restorative action for dry and fragile hair. Restores elasticity and silkiness to hair. Promotes protection of the hair fiber cuticle, preventing split ends and damage to the inner part of the hair.

## HOW TO USE

With clean, damp hair, apply the Oil Premium Mask, massage and leave on for 15 minutes, then rinse.

## MASK ROYAL HONEY

### ACTIVE INGREDIENTS

Honey, Royal Jelly, Rosehip Oil.

Its regenerative formula acts as a true balm for lifeless and dull hair, bringing them back to life with radiant shine. One of the key features of the Royal Honey Mask is its ability to prevent moisture loss from the strands, ensuring consistently hydrated and healthy hair. Available in 180gr and 450gr.

### HOW TO USE

After washing your hair with shampoo, condition it with Power Dose. Then apply Mask Royal Honey throughout the hair, and it can also be applied to the scalp. Massage it in, strand by strand. Leave it on for 15 minutes.

## K-PEPTIDE

Molecular Repair with Biofunctional Peptides.

The K-Peptide line was developed with advanced technology, featuring a formulation that promotes the gradual release of active ingredients, ensuring prolonged and effective care. With high affinity for the hair fiber, the K-Peptide line acts deeply on damage, providing complete and long-lasting restoration.

### HOW TO USE

**MICELLAR SHAMPOO** - Apply to damp hair, massage the scalp, and let the foam envelop the length and ends. Repeat the operation.

**EXTREME RECONSTRUCTOR** - Apply to damp hair, distributing evenly along the strands. Gently massage and leave on for 10 minutes. Rinse thoroughly.

**INTENSE HYDRATOR** - Apply to damp hair, all over the strands. Massage and leave on for 10 minutes, then rinse.

**P.H BALANCER** - Apply to damp hair, all over the strands. Massage and leave on for 5 minutes, then rinse.

## BIOPLASTIA SCALP CARE

### ACTIVE INGREDIENTS

Niacinamide, Hyaluronic Acid, Biotin, Trace Elements and Methionine.

Bioplastia is a comprehensive combination of products that provide care and strengthening for your hair and scalp. Comprising Purifying Shampoo, Densifier Balm, Densifier Complex, Bio Serum, and the Home Care line, it works by filling and treating the hair fiber with Hyaluronic Acid, Biotin, Niacinamide, and Coffee Extract, delivering astonishing results. It enhances bulb anchoring, provides an energizing effect, and increases the density and resilience of the strands.

### HOW TO USE

**PURIFYNG SHAMPOO** - Apply on wet hair and wash quickly at the first time to remove residues that prevent lather formation. Rinse and reapply the shampoo, massaging the scalp gently until a rich creamy lather forms. Slide the lather to the hair tips. Rinse and condition the hair then.

**DENSIFIER BALM** - Apply on wet hair. Start at the ends, gently massaging the hair. Leave on for 10 minutes and rinse.

**BIO SÉRUM** - Shake before using. Spray over hair, comb through and let dry naturally or finish as usual.

**DENSIFIER COMPLEX** - Shake before using. Spray on scalp and ends, massage and leave for 15 minutes, then rinse.

## MAGIC BOOSTER

### ACTIVE INGREDIENTS

Hyaluronic Acid, Sericin and Quinoa.

Magic Booster is fast treatment is designed to rejuvenate, shield, and proactively safeguard the hair's integrity. With a unique formula enriched with keratin, hyaluronic acid, and sericin, it not only enhances the effectiveness by twice of any treatment but also provides an invaluable shield during chemical processes such as straightening and bleaching.

### HOW TO USE

Open a capsule and place it with the desired procedure.

## SCALP THERAPY

### ACTIVE INGREDIENTS

Brazilian Clay, Salicylic Acid, Tea Tree, Niacinamide, Jaborandi.

### SCALP DETOX AND REVITALIZATION

With intense detox action, Scalp Therapy deeply purifies and provides complete scalp care. Its formula activates circulation, stimulates surface regeneration, and, through gentle exfoliation, unclogs follicles, removing debris, dead cells, and excess oil.

It is an excellent ally in the auxiliary treatment of dermatitis and in combating strong scalp odor, leaving the area cleaner, fresher, and more balanced.

The result is a healthy scalp, with stronger hair hold and promoting stronger hair growth.

### How to Use:

Shake before use. Apply to the scalp, massage well, leave on for 5 to 10 minutes, rinse and then wash with your preferred shampoo and conditioner.

# SCALP SERUM

## ACTIVE INGREDIENTS

Anageline, Biotin, Coffee, Niacinamide.

Specially formulated to care for the scalp, Scalp Serum combines powerful active ingredients that work directly on hair health from the root, creating an ideal environment for continuous and healthy hair growth.

## HOW TO USE

Apply directly to a clean, dry or slightly damp scalp. Massage with your fingertips until fully absorbed. No rinsing required.

## CURLY ACTIVE

### ACTIVE INGREDIENTS

Aloe Vera, Seaweed, Quaternized Keratin.

Developed to enhance the natural beauty of curls, Curly Active provides hydration, curl revitalization, long-lasting definition, and frizz control without weighing down the hair. Its lightweight and highly nourishing formula helps to strengthen, restore, and protect the hair against external aggressors, leaving it healthy, shiny, and full of movement.

### HOW TO USE

With clean, damp hair, apply evenly throughout the strands. Style curls using your hands, either with the finger-coiling technique or by gently scrunching the hair from ends to roots. For enhanced definition, use a diffuser on low heat or let hair air dry.

## CURLY BUTTER MASK

### ACTIVE INGREDIENTS

Macadamia, Pequi, Avocado, Coconut, Keratin.

Curly Butter Mask combines the richness of butter with the lightness of oils, delivering high-performance hydration for curly hair. Enriched with Macadamia Butter and Oils of Pequi, Avocado, Coconut, and Grape Seed, it deeply nourishes, combats dryness, and restores softness to the strands. Hydrolyzed Keratin strengthens the hair, while Panthenol ensures long-lasting hydration and natural shine. Butter Mask leaves curls more defined and silky, revealing healthy, vibrant hair.

### HOW TO USE

With clean hair, apply the mask from mid-lengths to ends. Leave it on for 10 to 15 minutes and rinse thoroughly. Style as desired.

## PRIME BLUR

## ACTIVE INGREDIENTS

Hyaluronic Acid, Collagen, Vegetable Proteins, Oil Blend.

Korban Prime Blur is a leave-in treatment that works immediately and provides a smoothing effect on the hair, like a Photoshop effect. It evens out the surface of the fiber, reduces the appearance of frizz and porosity, and provides a luminous, velvety finish without weighing it down. Its advanced formula combines Hyaluronic Acid, Collagen, Plant Proteins, and a powerful blend of oils, which work to hydrate, strengthen, and protect hair while delivering a more polished and healthy look.

## HOW TO USE

Apply a small amount to clean, damp hair, from mid-lengths to ends. Spread well and style naturally or with a blow-dryer/flat iron for a more polished effect.

# FINISHER MAIS LISO

## ACTIVE INGREDIENTS

Argan Oil, Amino Acids Blend and Macadamia Oil.

Finisher Mais Liso provides a straightening effect without the need for chemicals, offering a smooth alignment of the hair fiber. Its continuous use helps repair the hair, leaving it shinier and healthier.

It aids in reducing drying time and offers thermal protection against damage caused by using heat tools such as hair dryers and straighteners. With its high-quality ingredients and advanced technology, this product is an excellent choice for those who are seeking smoother, healthier, and protected hair.

## HOW TO USE

Spray Mais Liso on clean, damp hair from root to tip and follow with blow-drying the strands or finish as desired.

# PERFECT USE

## ACTIVE INGREDIENTS

Hyaluronic Acid, Amino Acids, Rosehip Oil, Panthenol.

With an advanced and technological formula, Perfect Use restores hair vitality. Its reconstructive action is capable of repairing damage caused by excessive heat from hair dryers, flat irons, and chemical procedures, restoring strength and resistance to the strands. It provides protection against damage caused by the sun and heat, keeping hair healthy.

## HOW TO USE

Shake well before use. With damp or dry hair, apply a sufficient amount to coat the strands. Comb through and style as desired.

## OIL PREMIUM ELIXIR

### ACTIVE INGREDIENTS

Açaí, Argan, Marula and Pracaxi.

A true elixir for the beauty of your hair, it has been carefully crafted with a blend of precious oils: Argan, Marula, Pracaxi, and Açaí. Provides anti-frizz and antioxidant action, offering extra protection against damage caused by free radicals.

Available in 15mL and 60mL.

### HOW TO USE

Place a few drops of Oil Premium on the palm of your hand, then apply it in the hair. It can be used with wet or dry hair.

## BLOND REPAIR

### ACTIVE INGREDIENTS

Hyaluronic Acid, Amino Acids, Grape Seed Oil, Flavonoids, Panthenol.

The Shampoo and Conditioner Kit with Anti-Yellow Technology was developed to restore hair's healthy appearance, neutralizing yellow tones and restoring its natural shine. Its advanced formula strengthens strands, accelerates growth, and maintains resistance, leaving hair stronger, nourished, and full of vitality. Ideal for those seeking visible results and radiant hair.

### HOW TO USE

**SHAMPOO** - Apply Blond Repair Shampoo to damp hair, massaging it into your scalp until it lathers. Leave on for a few minutes to allow the active ingredients to penetrate thoroughly, then rinse thoroughly. Repeat if necessary.

**CONDITIONER** - After shampooing, apply Blond Repair Conditioner to the ends of your hair. Leave on for 2 to 3 minutes for deep hydration, then rinse thoroughly. Style as desired.

# MASK BLOND FROZEN

## ACTIVE INGREDIENTS

Hyaluronic Acid, Amino Acids, Grape Seed Oil, Flavonoids, Panthenol.

The Frozen Blond Mask combines high-performance violet pigments with deep-treatment active ingredients to neutralize yellow and orange tones in blonde, gray, or bleached hair, while intensely hydrating, nourishing, and repairing the hair fiber.

Its advanced formula corrects porosity, softens roughness, and creates a protective film against oxidation and external aggressions such as pollution and heat.

## HOW TO USE

With clean, damp hair, apply the Frozen Blond Mask to the lengths and ends. Massage well, leave on for 5 minutes or until you reach your desired shade. Rinse thoroughly and style as desired.

## UP BLOND

### ACTIVE INGREDIENTS

Purple Pigment, Açaí and Antioxidant Molecules.

The UP BLOND Toning Capsule by Korban has been formulated with pigments that neutralize warm tones in the hair. It can be used in conjunction with any type of hair treatment, and its primary purpose is to enhance the platinum effect. Additionally, it can be applied during hair straightening processes to prevent hair from oxidizing and acquiring a yellowish tone, thanks to its neutralizing and antioxidant properties.

### HOW TO USE

Open a capsule and place it with the desired procedure.

# BIOPLASTIA

## ACTIVE INGREDIENTS

Hyaluronic Acid, Biotin, Oligoelements.

Balances oily roots and dry ends. It has strengthening, revitalizing, and moisturizing properties, helping to keep the hair healthy, soft, and naturally shiny. The perfect balance for your hair.

## HOW TO USE

SHAMPOO - Apply to damp hair, massage and rinse. Repeat the operation.

CONDITIONER - Apply to damp hair, massage and rinse.

## AFTER

### ACTIVE INGREDIENTS

Amino Acids, Açai Extract, Goji Berry.

Post Chemical enriched with Amino Acids, caviar extract, and goji berry, has antioxidant, protective, and nourishing properties that strengthen the strands, leaving them flexible, malleable, and soft to the touch.

### HOW TO USE

**SHAMPOO** - Apply to wet hair and rinse slightly the first time to remove any residues that oppose the formation of foam. Rinse and reapply the shampoo. After that, use the AFTER Conditioner.

**CONDITIONER** - Apply after the shampoo, beginning with the tips, and massage gently. Leave on for a few minutes and rinse thoroughly.

## OIL PREMIUM

### ACTIVE INGREDIENTS

Argan, Açaí, Marula, Pracaxi.

Restores the nutri-lipid layer of the hair fiber, promoting hydration and protection of the cuticular layer of the strands. The result is softer, revitalized hair with intense shine.

### HOW TO USE

**SHAMPOO** - Apply the shampoo to wet hair, massage gently, and rinse. If necessary, repeat the procedure.

**CONDITIONER** - Apply the conditioner to wet hair after washing, gently massaging. Leave it on for 5 minutes, then rinse thoroughly.

## BLOND REPAIR

### ACTIVE INGREDIENTS

Hyaluronic Acid, Amino Acids, Grape Seed Oil, Flavonoids, Panthenol.

The Shampoo and Conditioner Kit with Anti-Yellow Technology was developed to restore hair's healthy appearance, neutralizing yellow tones and restoring its natural shine.
