OCTOBER 15-18, 2026
BUDAPEST, HUNGARY

ART MARKET BUDAPEST

Join one of Europe's largest regional art fairs and most prominent contemporary art events in one of the most attractive cities of the world.

Upcoming edition: October 15-18, 2026.
Preview: October 14,

Central and Eastern Europe's largest contemporary art fair; established in 2011

ART PHOTO BUDAPEST: an on-site satellite fair is Central and Eastern Europe's only international photo fair

Over 100 exhibitors

Exhibitors arrive from more than 30 countries, presenting over 500 artists

7,500 sqm exhibition area

And...

... you will join Europe's MOST EXCITING ART FESTIVAL thanks to our partnership with **LISZT Fest**

EXHIBITORS' BENEFITS

More than "just" an art fair, Art Market Budapest is a busy platform for the international art community including galleries, art professionals, collectors, curators and the art media to meet, cooperate and socialize.

At Art Market Budapest you may

- | Meet a continuously growing international audience of potential buyers
- | Expand your network in the regional and global art community
- | Introduce your artists to the public at large – 30,000 international visitors
- | Express your views and learn about the latest trends at Inside Art, Central and Eastern Europe's leading art industry forum
- | Enjoy the richness of our satellite programs, social events, and engage with your colleagues from all over the world
- | Put forward your performance artists to be included in our ART+ program
- | Take advantage of the assistance of young professionals selected and trained in our internship program
- | Meet the guests of our exclusive guided tours provided to collectors and VIPs
- | Make your own initiatives, and discuss further opportunities with our Team, we look forward to cooperating with you

BASIC FACTS TO YOUR APPLICATION

| Exhibitors' sections:

Art Galleries: commercial galleries, without any restrictions in the form or technique of the exhibited works (booth size 30-100 sqm)

Art Photo Budapest: galleries and art institutions showcasing exclusively art photography, photo based artworks and video art (booth size 20-80 sqm)

Art Projects: unique selection of other forms of artist representation including the non-profit sector and educational institutions (booth size 20-80 sqm)

Art Extra: institutions, art media and other art services (booths are 5 sqm each)

| You apply by filling out the [*application documents*](#)

| Applicants will be informed on their acceptance following the decision of our international Board

| Further technical information on participation and accompanying services (partner hotels, additional technical services and equipment, etc.) will be forwarded to exhibitors regularly and in due course
