GLYPH

Cast bronze, wood, and metal sculptures are suspended from a wall-mounted peg rack that hangs above a hand-carved bench. This piece was conceived for a hallway. An overlooked domestic space, often frequented but never truly seen, the hallway is in fact the entry point to an intimate world and should be a reflection of whomever resides within. Glyph was created to set a tone of curiosity and wonder from the first step into a personal space. The work is designed to be customized to fit clients' individual spaces.

i. CUSTOMIZATION

[← Back to Contents](#)

STEP 1. DO YOU WANT A CUSTOM DESIGNED PIECE OR TO ADAPT AN EXISTING ANNA KARLIN PIECE?

If you are considering a custom designed piece, the first step is to decide whether you'd like to adapt an existing piece or work with us to design something entirely new.

STEP 2. CONSULTATION TO DISCUSS YOUR NEEDS AND CLARIFY THE BRIEF.

The originality of each piece is something that we celebrate so our process is tailored to your individual commission. We will provide a consultation to establish what the best route for creating the perfect piece for you will be.

STEP 3. WE PRESENT OUR DESIGNS TO YOU.

We will present our ideas to you and take the opportunity to refine our design based on your thoughts.

STEP 4. FABRICATION.

Once you have signed off on your design, your piece will be fabricated and we will liaise with you to arrange delivery.
