To learn more about the  
THRIVE Experience with SCULPT, visit:  
[www.Le-Vel.com/experience/sculpt](http://www.Le-Vel.com/experience/sculpt)

**SCULPT** is a branch chain amino acid breakthrough, intended to fuel your body with lean muscle toning components. The bioavailability of this particular branch chain amino acid formula is a first of its kind.

Amino acids are needed to support strength, recovery, endurance, lean muscle development and muscle tissue repair.

**SCULPT** was further formulated to be incorporated with the THRIVE Experience 3-step routine (THRIVE Capsules, Shake Mix and DFT).

For best results, take **SCULPT** on an empty stomach along with THRIVE M/W capsules in the morning as step 1 of the 3-step THRIVE Experience. In addition, take **SCULPT** 15–30 minutes prior to a workout or exercise or before a meal. Up to 3 servings a day can be consumed.

Don't miss this opportunity to take your health and wellness to the next level...Don't miss out on the THRIVE Experience with **SCULPT**.
