THRIVE SPT CHILL is a premium powder formula featuring Le-Vel's latest cutting-edge delivery method—SPT (Sequential Powder Technology).

Stress diminishes our ability to flourish, and can lead to emotional, cognitive, and physical issues...this is where **CHILL** comes in. CHILL utilizes ingredients shown to improve the body's response to stress, improve mood, and promote relaxation. CHILL is poured directly into the mouth and dissolves instantly to provide fast acting benefits.

Take **CHILL** any time, day or night, in addition to the 3 Steps of your THRIVE Experience to feel better and reduce stress.
