STUDENT INVEST IN YOURSELF (IiY)

1. Suyambulakshmi V of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 61%.
2. Gomathi S of Computer Science and Engineering completed the online course on "Problem Solving through Programming in C" with a percentage of 53%.
3. Chathriyan V of Electronics and Communication Engineering completed the online course on "Cyber Security and Privacy" with a percentage of 53%.
4. Megapriya G of Electronics and Communication Engineering completed the online course on "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 55%.
5. Devadharshanan J of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 58%.
6. Logeshwaran S of Electronics and Communication Engineering completed the online course on "Problem Solving through Programming in C" with a percentage of 55%.
7. Mahalakshmi P of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 56%.

8. K Lokesh of Electronics and Communication Engineering completed the online course on "Problem Solving through Programming in C" with a percentage of 66%.
9. Priyadharshini K of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 63%.
10. Richard M of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 66%.
11. Sandhiya S of Electronics and Communication Engineering completed the online course on "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 61%.
12. Preetha S of Mathematics completed the online course on "Engineering Mathematics – I" with a percentage of 80%.
13. Sharmili K of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 47%.
14. G Tamilselvi of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 64%.
15. Thamizhnila S of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 52%.
16. Anbuselvan A of Electronics and Communication Engineering completed the online course on "Problem Solving through Programming in C" with a percentage of 71%.
17. Arulprakash A of Electronics and Communication Engineering completed the online course on "Problem Solving through Programming in C" with a percentage of 62%.
18. Devanathan D of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 57%.
19. Benedict Mathew R S of Electronics and Communication Engineering completed the online course on "Problem Solving through Programming in C" with a percentage of 55%.
20. Mohamed Aslam MA of Electronics and Communication Engineering completed the online course on "Big Data Computing" with a percentage of 51%.

21. S Sneha of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 55%.
22. Harinee Selvaraj of Computer Science and Engineering completed the online course on "Problem Solving through Programming in C" with a percentage of 55%.
23. Karthik A of Electronics and Communication Engineering completed the online course on "Big Data Computing" with a percentage of 92%.
24. Rukumani S of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 63%.
25. K Srihari of Electrical Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 62%.
26. S Subiksha of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 60%.
27. Sakthimurugan K of Civil Engineering completed the online course on "Fluid Mechanics" with a percentage of 52%.
28. Vijayalakshmi V of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 55%.
29. Vignesh J of Mechanical Engineering completed the online course on "Rapid Manufacturing" with a percentage of 66%.
30. Vinitha G of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 56%.
31. Gobika M of Electrical Engineering completed the online course on "Problem Solving through Programming in C" with a percentage of 51%.
32. Ajith Kumar S of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 73%.
33. Geethapriya R of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 60%.
34. Gokulnath G of Mechanical Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 45%.
35. S Hema of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 49%.

36. Harinishree R of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 48%.
37. Keerthana R of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 66%.
38. Kishor K of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 60%.
39. Subadeesh D of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 66%.
40. Annamalai T of Electronics and Communication Engineering completed the online course on "The Joy of Computing using Python" with a percentage of 65%.
41. Kaviya K of Electrical Engineering completed the online course on "Physics of Renewable Energy Systems" with a percentage of 57%.
42. Barath N of Electrical Engineering completed the online course on "Smart Grid: Basics to Advanced Technologies" with a percentage of 60%.
43. Gomathi S of Computer Science and Engineering completed the online course on "Data Structure and Algorithms using Java" with a percentage of 64%.
44. J Sherin Benedittta of Electrical Engineering completed the online course on "Physics of Renewable Energy Systems" with a percentage of 72%.
45. Jeevitha S of Electronics and Communication Engineering completed the online course on "Programming in Java" with a percentage of 69%.
46. S Sivagamasundari of Electrical Engineering completed the online course on "Physics of Renewable Energy Systems" with a percentage of 63%.
47. Srimathi B of Computer Science and Engineering completed the online course on "Ethical Hacking" with a percentage of 57%.
48. Sruthi of Other completed the online course on "Customer Relationship Management" with a percentage of 48%.
49. A Swetha of Electrical Engineering completed the online course on "Physics of Renewable Energy Systems" with a percentage of 64%.
50. H Sujithkumar of Electronics and Communication Engineering completed the online course on "Introduction to Internet of Things" with a percentage of 75%.

51. Mr. Syed Ameer of Electronics and Communication Engineering completed the NPTEL certification course titled "Cloud Computing" with a percentage of 73%.
52. Mr. Mohamed Yaseen A of Electronics and Communication Engineering completed the NPTEL certification course titled "Cloud Computing" with a percentage of 70%.
53. Mr. MOHAN RAJI V of Electronics and Communication Engineering completed the NPTEL certification course titled "Cloud Computing" with a percentage of 60%.
54. Mr. RAGUL S of Electronics and Communication Engineering completed the NPTEL certification course titled "Cloud Computing" with a percentage of 62%.
55. Ms. KAVIYA K of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 61%.
56. Ms. PAVITHRA R of Electronics and Communication Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 72%.
57. Mr. SUDHARSAN M of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 60%.
58. Ms. S SIVAGAMASUNDARI of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 71%.
59. Mr. SENTHAN AMUDHAN R of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 61%.
60. Ms. K SUVITHA of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 65%.
61. Ms. J SHERIN BENEDITTA of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 70%.
62. Ms. A SWETHA of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 65%.
63. Mr. SIVANESAN S of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 71%.

64. Mr. K VALLAL of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 70%.
65. Mr. SRIHARI K of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 68%.
66. Ms. Archana of Electronics and Communication Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 55%.
67. Ms. S VARSHA of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 60%.
68. Mr. PRATHEESHWARAN D of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 60%.
69. Ms. Subbulakshmi S of Electronics and Communication Engineering completed the NPTEL certification course titled "Introduction to Internet of Things" with a percentage of 77%.
70. Mr. R RATHIMEENA of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 61%.
71. Mr. Gobika M of Electrical Engineering completed the NPTEL certification course titled "Introduction to Internet of Things" with a percentage of 70%.
72. Ms. AKSHAYA MS of Computer Science and Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 46%.
73. Ms. Sangeetha D of Electronics and Communication Engineering completed the NPTEL certification course titled "Introduction to Internet of Things" with a percentage of 72%.
74. Ms. M Archana of Computer Science and Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 60%.
75. Ms. Karthika S of Electronics and Communication Engineering completed the NPTEL certification course titled "Introduction to Internet of Things" with a percentage of 78%.
76. Ms. JEVANESWARI K of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 60%.

77. Mr. DHANRAJ R of Electronics and Communication Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 46%.

83. Mr. KALAIVARSAN V of Electronics and Communication Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 51%.
84. Ms. PRAJEETHA of Electrical Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 50%.
85. Ms. V HARINI of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 64%.
86. Mr. HARIPRASAD P of Electrical Engineering completed the NPTEL certification course titled "Introduction to Industry 4.0 and Industrial Internet of Things" with a percentage of 61%.
87. Ms. Dhivyadharshini N of Electrical Engineering completed the NPTEL certification course titled "Problem Solving Through Programming In C" with a percentage of 46%.
88. Ms. VISHNUPRIYA B of Computer Science and Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 44%.
89. Ms. S Atchaya of Electronics and Communication Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 43%.

90. Ms. Dharshini J of Electronics and Communication Engineering completed the NPTEL certification course titled "The Joy of Computing using Python" with a percentage of 50%.
91. Mr. K Lokesh of Electronics and Communication Engineering completed the NPTEL certification course titled "Programming In Java" with a percentage of 56%.
92. Ms. E Nithya Shree of Civil Engineering completed the NPTEL certification course titled "Air Pollution and Control" with a percentage of 61%.
93. Ms. PIRITHIBA M of Electronics and Communication Engineering completed the NPTEL certification course titled "Data Analytics with Python" with a percentage of 66%.
94. Ms. M GAYATHRI of Electronics and Communication Engineering completed the NPTEL certification course titled "Machine Learning for Soil and Crop Management" with a percentage of 50%.
95. Mr. ARULPRAKASH A of Electronics and Communication Engineering completed the NPTEL certification course titled "Programming In Java" with a percentage of 55%.
96. Ms. ELAKKIYA N of Civil Engineering completed the NPTEL certification course titled "Air Pollution and Control" with a percentage of 71%.
97. Ms. JAYASRI A of Electronics and Communication Engineering completed the NPTEL certification course titled "Machine Learning For Soil And Crop Management" with a percentage of 67%.
98. Mr. BENEDICT MATHEW R S of Electronics and Communication Engineering completed the NPTEL certification course titled "Programming In Java" with a percentage of 57%.
99. Ms. Deepika S of Computer Science and Engineering completed the NPTEL certification course titled "Programming In Java" with a percentage of 53%.
100. Ms. Harinee Selvaraj of Computer Science and Engineering completed the NPTEL certification course titled "Programming In Java" with a percentage of 60%.
101. Ms. MADHUMITHA K of Electronics and Communication Engineering completed the NPTEL certification course titled "Natural Language Processing" with a percentage of 63%.
102. Ms. Pavithra. R of Electronics and Communication Engineering completed the NPTEL certification course titled "Data Science for Engineers" with a percentage of 55%.

103. Ms. Jeevitha. S of Electronics and Communication Engineering completed the NPTEL certification course titled "Data Science for Engineers" with a percentage of 58%.
104. Ms. Sharinitha. R of Electronics and Communication Engineering completed the NPTEL certification course titled "Data Science for Engineers" with a percentage of 51%.
105. Three students from Civil Engineering have completed 8-week course on "Plastic Waste Management" on the NPTEL platform.
106. Two students from Civil Engineering have completed a 12-week course on "Design of Reinforced Concrete Structures" on the NPTEL platform.
107. Two students of Civil Engineering have completed a 12-week course on "Earthquake Geology: A Tool for Seismic Hazard Assessment" on the NPTEL platform.
108. Seven students from Civil Engineering have completed a 12-week course on "Integrated Waste Management for a Smart City" on the NPTEL platform.
109. One student from Mechanical Engineering has completed a 12-week course on "Fluid Mechanics" on the NPTEL platform.
110. Four students from Civil Engineering have completed a 12-week course on "Air Pollution and Control" on the NPTEL platform.
111. One student of Civil Engineering has completed a 12-week course on "Structural Analysis-I" on the NPTEL platform.
112. One student of Mechanical Engineering has completed a 12-week course on "Urban Transportation Systems Planning" on the NPTEL platform.
113. Two students from Mechanical Engineering have completed a 12-week course on "Hydraulic Engineering" on the NPTEL platform.
114. Twenty-Two students from CSE and ECE have completed a 12-week course on "Programming in Java" on the NPTEL platform.
115. Ninety-Three students from ECE and CSE have completed a 12-week course on "The Joy of Computing using Python" on the NPTEL platform.
116. Thirty-Two students from CSE and ECE have completed a 12-week course on "Cloud Computing" on the NPTEL platform.
117. One student from ECE has completed a 12-week course on "Ethical Hacking" on the NPTEL platform.

118. One student from ECE has completed a 12-week course on "Introduction to Machine Learning" on the NPTEL platform.
119. Nineteen students from CSE and ECE have completed a 12-week course on "Problem Solving Through Programming In C" on the NPTEL platform.
120. One student from CSE has completed a 12-week course on "Programming in Modern C++" on the NPTEL platform.
121. Twenty-Three students from CSE, EEE and ECE have completed a 12-week course on "Introduction to Internet of Things" on the NPTEL platform.
122. Twenty-One students from CSE, EEE and ECE have completed a 12-week course on "Introduction to Industry 4.0 And Industrial Internet Of Things" on the NPTEL platform.
123. Two students from EEE have completed a 12-week course on "Renewable Energy Engineering: Solar, Wind and Biomass Energy Systems" on the NPTEL platform.
124. One student from ECE has completed a 12-week course on "Data Analytics with Python" on the NPTEL platform.
125. One student from EEE has completed a 12-week course on "Smart Grid: Basics to Advanced Technologies" on the NPTEL platform.
126. Six students from Mechanical Engineering have completed a 12-week course on "Computer Integrated Manufacturing" on the NPTEL platform.
127. One student from EEE has completed a 12-week course on "Power Plant Engineering" on the NPTEL platform.

SPORTS PARTICIPATION

Zonal and Interzonal Achievements

Ms. K. Kanimozhi, III Year CSE Department secured the Silver Medal in the Hunters Chess Academy "State Level 1st Annual Rolling Trophy Mega Chess Tournament" held at Achariya Bala Siksha Mandir, Thengaihitu, Puducherry.

SPORTS PARTICIPATION

Akshara G from I Year Civil Department Participated in South West Zone Inter University Judo Women's Championship meet 2024-25, held at LNCT University Campus, Kolar road, Bhopal, Madhya Pradesh from 22.11.2024 to 25.11.2024.

Vaishnavi N from III Year AI & DS Department, she Secured Runner 50000 Cash Award in the CM Trophy State Level Football Women's Tournament held at NS, JNIS (B) Ground, DSC, Nehru Park, Chennai and University Union Ground from 13.10.2024 to 19.10.2024.

Kanimozhi K from IV Year CSE Department, she Secured Third Prize in the State Level Chess Women's Tournament, held at Petit Seminaire CBSE, School, AC Hall, Moolakulam Puducherry on 04.08.2024.

G. Akshara from I Year Civil Department, she Secured Winner in Anna University Inter Zone Level Judo Women's Championship held at Kongunadu College of Engineering & Technology, Thottiam, Namakkal on 13.11.2024.

G. Akshara from I Year Civil Department, she Secured Third Prizer 1000 Cash Award in CM Trophy Regional Level Judo Women's Championship held at SDAT, Vellore Stadium, on 18.09.2024.

CKCET Kabaddi Men's Team Secured the Winner in Anna University Zonal Level held at University College of Engineering, Panruti, on 17.10.2024.

CKCET Chess Women's Team Secured Runner in Anna University Zonal Level held at University College of Engineering, Villupuram on 10.09.2024.

CKCET Ball Badminton Women's Team Secured Third Prize in Anna University Zonal Level held at University College of Engineering, Tindivanam on 09.10.2024.

Riyas R from III Year EEE Department, he Secured Winner in the Anna University Zonal Level (Long Jump men) Athletic Championship meet held at Surya Group of Institution, Vikravandi on 23.11.2024.

Sibiabishek K from IV Year CSE Department, he Secured Winner in the Anna University Zonal Level (10,000 Mts men) Athletic Championship meet held at Surya Group of Institution, Vikravandi on 23.11.2024.

Gangadevi S from II Year ECE Department, she Secured Winner in the Anna University Zonal Level (200 Mts women) Athletic Championship meet held at Surya Group of Institution, Vikravandi on 23.11.2024

CKCET 4X100 Mts Relay Women Team Secured Winner in Anna University Zonal Level Athletic Championship meet held at Surya Group of Institution, Vikravandi on 23.11.2024

Mr. D. Dhanush and Mr. E.Gokulraj, II Year ECE secured second and third place in the 110m hurdles, Ms. M. Gayathri, IV Year ECE secured second place in shot put, and Ms. R.Suvitha, III Year EEE secured third place in the 800m running event at the Cuddalore District 5th Junior Open Athletic Championship Meet, held at SDAT Anna Stadium, Cuddalore

Students of CKCET in Mini Marathon organized by the Tamil Nadu AIDS Control Board, held at Cuddalore from Town Hall to Periyar Arts College, Devanampattinam

Our College Basketball Women’s team has participated in the Anna University Zone V Tournament held at Surya Group of Institution, Vikravandi.

Our College Volleyball Women’s team has participated in the Anna University Zone V Tournament held at University College of Engineering, Panruti.

Our College Handball Men’s team has participated in the Anna University Zone V Tournament held at Karpaga Vinayaga College of Engineering & Technology, Madhuranthangam.

Our College Chess Women's has participated in the 8th State Level Chess Championship meet Tournament held at Valluvar Gurukulam Mat Hr, Sec, School, West Tambaram Chennai.

Our College Throw Ball Women's has participated in the **21st Senior State Throw Ball Championship Tournament** held at T.N.G.R. Memorial Hr. Sec. Scholl, Varadharajapuram, Coimbatore.

Our College Ball Badminton Men's team has participated in the Anna University Zone V Tournament held at Mailam Engineering College, Mailam.

Our College Cricket Men's team has participated in the Anna University Zone V Tournament held at V.R.S. College of Engineering and Technology, Arasur

Our College Ball Badminton Women's team has Participated and Secured Silver Medal in the Anna University Zone V Tournament held at University College of Engineering, Tindivanam.

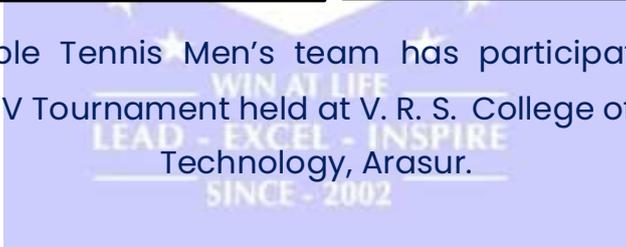

Our College Chess Men & Women has participated and our college women team Secured Silver Medal, men team participated in the Anna University Zone V Tournament held at University College of Engineering, Panruti.

Our College Table Tennis Women's team has participated in the Anna University Zone V Tournament held at University College of Engineering, Villupuram.

Our College Table Tennis Men's team has participated in the Anna University Zone V Tournament held at V. R. S. College of Engineering and Technology, Arasur.

Our College Badminton Women's team has Participated in the Anna University Zone V Tournament held at University College of Engineering, Tindivanam.

Our College Football Men's team has participated and Secured Silver Medal in the Anna University Zone V Tournament held at Mailam Engineering College, Mailam.

Our College Kabaddi Men's team has participated and Secured Gold Medal in the Anna University Zone V Tournament held at Karpaga Vinayaka College Engineering & Technology, Madhuranthangam.

Our college Kabaddi Men's team was participated in the Anna University inter zonal Tournament held at Hindustan College Engineering & Technology, Coimbatore.

Ms. Sneha S from **II ECE** Dept. secured **Second Place**, in **Yoga** held at Kalai thai yoga, Pudhucherry.

Our College Volleyball Men's team has participated in Anna University Zone V Tournament held at 2023 Karpaga Vinayaka College Engineering & Technology,

LEAD Madhuranthangam.

Table Tennis Men's team participated in the Anna University Zone V Tournament held at V R S Engineering College, Arasur.

Football men's team participated in the Anna University Zone V Tournament held at V R S Engineering College, Arasur.

Ms. P. Kavipriya of III Year ECE Won Gold Medal in 800m, Ms. P. Priyadharshini of IV Year ECE Silver Medal in 400 m, Ms. N. Vaishnavi of I Year AI & DS Won Silver Medal in 200m Running and Ms. M. Sabitha of IV Year ECE Won Silver Medal in Discus Throw in Anna University Athletic Championship meet held at Adhiparasakthi Engineering College, Melmaruvathur.

Volleyball Men's Won Gold Medal in Anna University Zone V Tournament held at Karpaga Vinayaka College of Engineering and Technology, Madhuranthagam

Chess Women secured Gold Medal in Anna University Zone V Tournament held at University College of Engineering, Villupuram.

Mr.K. Kaviarasan of I Year M.E / ECE Won Silver Medal in the Anna University Inter Zone tournament held at Paavai Engineering College, Namakkal.

FACULTY FDP'S AND WORKSHOPS ATTENDED:

1. Mr. K. Rajkamal, Asst. Professor, attended the FDP titled "emerging technologies and real-world applications" between 22.11.2023 to 24.11.2023.
2. Mr. Thiyagarajan V, Asst. Professor, attended the FDP titled "cloud infrastructure (AWS)" between 21.08.2023 to 25.08.2023.
3. Ms. B. Sumithra, Asst. Professor, attended the FDP titled "integrated waste management for a smart city" between 24.07.2023 to 13.10.2023.
4. Ms. B. Sumithra, Asst. Professor, attended the FDP titled "review on recent research in civil engineering" between 10.07.2023 to 15.07.2023.
5. Mr. G. Adithya Vijay, Asst. Professor, attended the FDP titled "municipal solid waste management" between 24.07.2023 to 13.10.2023.
6. Mr. K. Ramamoorthy, Asst. Professor, attended the FDP titled "future scopes for additive manufacturing in industrial and biomedical applications" between 17.07.2023 to 21.07.2023.
7. Mr. K. Ramamoorthy, Asst. Professor, attended the FDP titled "trending softwares in civil engineering" between 04.08.2023 to 10.08.2023.
8. Mr. M. Shyamkumar, Asst. Professor, attended the FDP titled "municipal solid waste management" between 24.07.2023 to 13.10.2023.
9. Ms. S. Sashmitha, Asst. Professor, attended the FDP titled "municipal solid waste management" between 24.07.2023 to 13.10.2023.
10. Ms. S. Sashmitha, Asst. Professor, attended the FDP titled "review on recent research in civil engineering" between 10.07.2023 to 15.07.2023.
11. Mr. T. Santhosh kumar, Asst. Professor, attended the FDP titled "municipal solid waste management" between 24.07.2023 to 13.10.2023.
12. Mr. T. Santhosh kumar, Asst. Professor, attended the FDP titled "trending Softwares in civil engineering" between 04.08.2023 to 10.08.2023.
13. Dr. J. Padmapriya, assoc. Professor, attended the FDP titled "sustainable engineering concepts and life cycle analysis" between 24.07.2023 to 15.09.2023.
14. Dr. J. Padmapriya, assoc. Professor, attended the FDP titled "integrated waste management for a smart city" between 24.07.2023 to 13.10.2023.
15. Dr. J. Padmapriya, assoc. Professor, attended the FDP titled "review on recent research in civil engineering" between 10.07.2023 to 15.07.2023.
16. Mr. Karthikeyan B, lab technician, attended the FDP titled "NBA & NAAC accreditation process" between 11.12.2023 to 15.12.2023.
17. Mr. Raghupathy K, lab technician, attended the FDP titled "NBA & NAAC accreditation process" between 11.12.2023 to 15.12.2023.

18. Dr. K. Sakthi Murugan, professor, attended the FDP titled "fluid mechanics" between 24.07.2023 to 13.10.2023.
19. Dr. K. Sakthi Murugan, professor, attended the FDP titled "review on recent research in civil engineering" between 10.07.2023 to 15.07.2023.
20. Dr. K. Sakthi Murugan, professor, attended the FDP titled "concrete building system - design" between 24.07.2023 to 28.07.2023.
21. Ms. Elakiya V, Asst. Professor, attended the FDP titled "big data computing" between 21.08.2023 to 13.10.2023.
22. Ms. Elakiya V, Asst. Professor, attended the FDP titled "virtual labs" between 15.11.2023 to 17.11.2023.
23. Mr. John William P, Asst. Professor, attended the FDP titled "cyber security" between 25.09.2023 to 14.10.2023.
24. Mr. John William P, Asst. Professor, attended the FDP titled "machine learning & artificial intelligence" between 13.11.2023 to 17.11.2023.
25. Mr. John William P, Asst. Professor, attended the FDP titled "data analytics with excel - basic to advanced" between 20.11.2023 to 01.12.2023.
26. Mr. John William P, Asst. Professor, attended the FDP titled "introduction to automata, languages and computation" between 24.07.2023 to 13.10.2023.
27. Ms. Malathi R, Asst. Professor, attended the FDP titled "machine learning & artificial intelligence" between 13.11.2023 to 17.11.2023.
28. Ms. Malathi R, Asst. Professor, attended the FDP titled "data analytics with excel - basic to advanced" between 20.11.2023 to 01.12.2023.
29. Ms. Malathi R, Asst. Professor, attended the FDP titled "cloud infrastructure (AWS)" between 21.08.2023 to 25.08.2023.
30. Mr. Sivaprakash T, Asst. Professor, attended the FDP titled "cyber security" between 25.09.2023 to 14.10.2023.
31. Mr. Sivaprakash T, Asst. Professor, attended the FDP titled "learning for NLP and computer vision" between 25.10.2023 to 31.10.2023.
32. Mr. Sivaprakash T, Asst. Professor, attended the FDP titled "real world applications" between 22.11.2023 to 24.11.2023.
33. Mr. Sivaprakash T, Asst. Professor, attended the FDP titled "programming in java" between 24.07.2023 to 13.10.2023.
34. Ms. Sudha C, Asst. Professor, attended the FDP titled "ai/ml/dl approaches for real time applications" between 09.11.2023 to 11.11.2023.
35. Mr. Vimal raja R, Asst. Professor, attended the FDP titled "cloud infrastructure (AWS)" between 21.08.2023 to 25.08.2023.
36. Mr. Vimal raja R, Asst. Professor, attended the FDP titled "cyber security" between 25.09.2023 to 14.10.2023.

37. Mr. D. Saravanan, Assistant Professor, participated in the Six days Workshop titled "Emerging Trends & Applications in Civil Engineering" from 02.01.2023 to 07.01.2023.
38. Mr. D. Saravanan, Assistant Professor, participated in the Faculty Development Program titled "Sustainable Building Material and Practices" from 20.02.2023 to 24.02.2023.
39. Ms. S. Sashmitha, Assistant Professor, participated in the Faculty Development Program titled "Biological Process Design for Wastewater Treatment" from 01.01.2023 to 01.03.2023.
40. Ms. S. Sashmitha, Assistant Professor, participated in the Virtual Faculty Development Program titled "Sustainable Repair and Rehabilitation of Constructed Facilities" from 06.03.2023 to 10.03.2023.
41. Mr. M. Shyamkumar, Assistant Professor, participated in the Faculty Development Program titled "Design and Construction of Steel Buildings" from 19.09.2022 to 22.09.2023.
42. Mr. Vimal raja R, Asst. Professor, attended the FDP titled "programming in java" between 24.07.2023 to 13.10.2023.
43. Mr. Vimal raja R, Asst. Professor, attended the FDP titled "machine learning & artificial intelligence" between 13.11.2023 to 17.11.2023.
44. Mr. S. Aravind, Asst. Professor, attended the FDP titled "machine learning & artificial intelligence" between 13.11.2023 to 17.11.2023.
45. Mr. S. Aravind, Asst. Professor, attended the FDP titled "data analytics with excel - basic to advanced" between 20.11.2023 to 01.12.2023.
46. Mr. K. Ramamoorthy, Assistant Professor, participated in the Online Faculty Development Program titled "Current Research Trends in Field of Civil Engineering" from 16.01.2023 to 20.01.2023.
47. Mr. M. Shyamkumar, Assistant Professor, participated in the Faculty Development Program titled "Sustainable Building Design" from 13.02.2023 to 17.02.2023.
48. Mr. M. Shyamkumar, Assistant Professor, participated in the Faculty Development Program titled "Air Pollution and Control" from 02.02.2023 to 01.03.2023.
49. Ms. B. Sumithra, Assistant Professor, participated in the Faculty Development Program titled "Air Pollution and Control" from 02.02.2023 to 01.03.2023.
50. Ms. B. Sumithra, Assistant Professor, participated in the Short Tern Training Program titled "STTP on Advancement in Civil Engineering" from 06.02.2023 to 10.02.2023.

51. Mr. V. Tamilselvan, Assistant Professor, participated in the Online Faculty Development Program titled "Current Research Trends in Field of Civil Engineering" from 16.01.2023 to 20.01.2023.
52. Mr. V. Tamilselvan, Assistant Professor, participated in the Online Faculty Development Program titled "Application of Artificial Intelligence and Machine Learning in Civil Engineering" from 20.02.2023 to 25.02.2023.
53. Mrs. V. Elakiya, Assistant Professor, participated in the Online Faculty Development Program titled "Machine Learning and its Real-Time Applications" from 06.03.2023 to 10.03.2023.
54. Mr. P. John William, Assistant Professor, participated in the Online Faculty Development Program titled "Emerging Trends in Cyber Security" from 11.11.2022 to 18.11.2022.
55. Mr. P. John William, Assistant Professor, participated in the Faculty Development Program titled "Introduction to Machine Learning" from 02.01.2023 to 01.04.2023.
56. Mrs. R. Malathi, Assistant Professor, participated in the Online Faculty Development Program titled "Machine Learning and its Real-Time Applications" from 06.03.2023 to 10.03.2023.
57. Mrs. R. Malathi, Assistant Professor, participated in the Faculty Development Program titled "Programming in Java" from 02.01.2023 to 01.04.2023.
58. Mr. T. Sivaprakash, Assistant Professor, participated in Online the Faculty Development Program titled "Cloud Computing" from 02.01.2023 to 01.04.2023.
59. Mr. V. Thiyagarajan, Assistant Professor, participated in the Faculty Development Program titled "Machine Learning and its Real-Time Applications" from 06.03.2023 to 10.03.2023.
60. Dr. M. Selvaganapathy, Assistant Professor, participated in the Faculty Development Program titled "Computer Networks and Internet Protocol" from 02.01.2023 to 01.04.2023.
61. Dr. M. Selvaganapathy, Assistant Professor, participated in the Faculty Development Program titled "Introduction to Research" from 01.02.2023 to 01.04.2023.
62. Mr. G. Manikannan, Assistant Professor, participated in the 2 days National Level Seminar titled "COBOTICS for Biomedical and Healthcare Monitoring System" from 15.06.2023 to 16.06.2023.

63. Mr. K. Sabarinathan, Assistant Professor, participated in the 2 days National Level Seminar titled "Recent Trends in Biomedical and Imaging Analysis for Early Detection of Skin Cancer and its Treatments" from 01.03.2023 to 02.03.2023.
64. Mr. K. Sabarinathan, Assistant Professor, participated in the Faculty Development Program titled "Introduction to Research" from 02.02.2023 to 31.04.2023.
65. Mr. K. Sabarinathan, Assistant Professor, participated in the Faculty Development Program titled "Fusion 360" from 01.02.2023 to 01.04.2023.
66. Dr. D. Sengeni, Associate Professor, participated in the Faculty Development Program titled "NBA Accreditation and Teaching and Learning in Engineering (NATE)" from 23.01.2023 to 14.04.2023.
67. Dr. D. Sengeni, Associate Professor, participated in the Professional Development Program titled "Student Psychology" from 12.06.2023 to 16.06.2023.
68. Mr. B. Theeban Chakkaravathy, Associate Professor, participated in the Online Faculty Development Program titled "Inculcating Universal Human Values in Technical Education" from 16.01.2023 to 20.01.2023.
69. Mr. K. Devaneyan, Assistant Professor, participated in the Faculty Development Program titled "Advanced Robotics" from 23.01.2023 to 14.04.2023.
70. Mrs. S. Radhika, Assistant Professor, participated in the Faculty Development Program titled "Introduction to Internet of Things" from 01.07.2022 to 01.10.2022.
71. Mr. K. Rajavelu, Assistant Professor, participated in the Faculty Development Program titled "Introduction to Internet of Things" from 23.01.2023 to 14.04.2023.
72. Mr. M. Sathis Kumar, Assistant Professor, participated in the Faculty Development Program titled "Advanced Robotics" from 23.01.2023 to 14.04.2023.
73. Mrs. S. Sivaranjani, Assistant Professor, participated in the Faculty Development Program titled "Introduction to Internet of Things" from 23.01.2023 to 14.04.2023.
74. Mr. D. Venkatesan, Assistant Professor, participated in the Faculty Development Program titled "Introduction to Industry 4.0 and Industry Internet of Things" from 12.01.2023 to 23.04.2023.

75. Dr. N. Kamalakannan, Professor, participated in the Faculty Development Program titled "Smart Grid: Basics to Advanced Technologies" from 23.01.2023 to 14.04.2023.
76. Mr. R. Amudhan, Assistant Professor, participated in the National Seminar on "Unity in Diversity" on 10.03.2023.
77. Mr. D. Balachandar, Assistant Professor, participated in the Faculty Development Program titled "EV Design for Mechanical Engineering - TNSDC" from 13.02.2023 to 17.02.2023.
78. Dr. R. Krishnamoorthy, Associate Professor, participated in the Faculty Development Program titled "EV Design for Mechanical Engineering - TNSDC" from 13.02.2023 to 17.02.2023.
79. Mrs. B. Anitha, Associate Professor, participated in the Faculty Development Program titled "NBA Accreditation and Teaching and Learning in Engineering (NATE)" from 02.01.2023 to 01.04.2023.
80. Dr. A. Dhandapani, Associate Professor, participated in the Faculty Development Program titled "Institutional Management and Administrative Procedures" from 02.01.2023 to 28.02.2023.
81. Mrs. J. Jeyabhuvaneswari, Assistant Professor, participated in the Faculty Development Program titled "NBA Accreditation and Teaching and Learning in Engineering (NATE)" from 02.01.2023 to 01.04.2023.
82. Mr. G. Adithya Vijay, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "Building Information Modelling" from 19.09.2022 to 22.09.2022.
83. Mr. G. Adithya Vijay, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "Design of Reinforced Concrete Structures" from 25.07.2022 to 14.10.2022.
84. Mr. G. Adithya Vijay, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "Sustainable Repair and Rehabilitation of Constructed Facilities" from 21.11.2022 to 25.11.2022.
85. Mr. K. Ramamoorthy, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "Integrated Waste Management for a Smart City" from 25.07.2022 to 14.10.2022.
86. Mr. K. Ramamoorthy, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "Advancement in Concrete Technology" from 19.12.2022 to 23.12.2022.

87. Mr. T. Santhosh Kumar, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "High Rise Building Design" from 19.09.2022 to 22.09.2022.
88. Mr. T. Santhosh Kumar, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "GIS for Smart City" from 12.12.2022 to 16.12.2022.
89. Mr. T. Santhosh Kumar, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "Advancements in Concrete Technology" from 19.12.2022 to 23.12.2022.
90. Mr. D. Saravanan, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "Earthquake Geology: A Tool for Seismic Hazard Assessment" from 25.07.2022 to 14.10.2022.
91. Ms. B. Sumithra, Assistant Professor of Civil Engineering, participated in the Faculty Development Program titled "Plastic Waste Management" from 22.08.2022 to 14.10.2022.
92. Mr. B. Karthikeyan, Lab Technician of Civil Engineering, participated in the One Day NBA Awareness Program on 19.12.2022.
93. Mr. K. Raghupathy, Lab Technician of Civil Engineering, participated in the One Day NBA Awareness Program on 19.12.2022.
94. Mr. P. John William, Assistant Professor of Computer Science and Engineering, participated in the Faculty Development Program titled "Emerging Trends in Cyber Security" from 11.11.2022 to 18.11.2022.
95. Mr. K. Ramesh, Assistant Professor of Computer Science and Engineering, participated in the online Faculty Development Program titled "Data Science" from 01.08.2022 to 05.08.2022.
96. Mr. T. Sivaprakash, Assistant Professor of Computer Science and Engineering, participated in the Online Faculty Development Program titled "Data Science" from 01.08.2022 to 05.08.2022.
97. Mr. R. Vimalraja, Assistant Professor of Computer Science and Engineering, participated in the Online Faculty Development Program titled "Data Science" from 01.08.2022 to 05.08.2022.
98. Mr. R. Vimalraja, Assistant Professor of Computer Science and Engineering, participated in the Faculty Development Program titled "Recent Trends in Artificial Intelligence & Machine Learning" from 26.09.2022 to 30.09.2022.
99. Mr. E. Durai, Lab Technician of CSE, participated in the One Day NBA Awareness Program on 19.12.2022.

100. Mr. M. Kadhar Moideen, Lab Technician of CSE, participated in the One Day NBA Awareness Program on 19.12.2022.
101. Mr. E. Karthikeyan, Lab Technician of Civil Engineering, participated in the One Day NBA Awareness Program on 19.12.2022.
102. Mr. E. Selvan, Lab Technician of CSE, participated in the One Day NBA Awareness Program on 19.12.2022.
103. Mr. M. Kalaivanan, Assistant Professor of Electronics and Communication Engineering, participated in the two-day Short Term Training Programme titled "Research Trends in Antenna Design and Beyond Applications" from 05.12.2022 to 06.12.2022.
104. Mrs. G. Mahalakshmi, Assistant Professor of Electronics and Communication Engineering, participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.07.2022 to 30.07.2022.
105. Mr. G. Manikannan, Assistant Professor of Electronics and Communication Engineering, participated in the Faculty Development Program titled "Powering IoT using Arduino/Raspberry Pi" from 26.09.2022 to 30.09.2022.
106. Mr. G. Manikannan, Assistant Professor of Electronics and Communication Engineering, participated in the Faculty Development Program titled "Introduction to Research" from 01.08.2022 to 01.10.2022.
107. Mr. G. Manikannan, Assistant Professor of Electronics and Communication Engineering, participated in the Short Term Training Programme titled "Artificial Intelligence Powered Signal Processing, Image Processing, Networking, and Communication Technologies" from 28.03.2022 to 02.04.2022.
108. Mr. P. Prabakaran, Assistant Professor of Electronics and Communication Engineering, participated in the two-day Short Term Training Programme titled "Research Trends in Antenna Design and Beyond Applications" from 05.12.2022 to 06.12.2022.
109. Mr. P. Prabakaran, Assistant Professor of Electronics and Communication Engineering, participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
110. Mr. P. Prabakaran, Assistant Professor of Electronics and Communication Engineering, participated in the Faculty Development Program titled "Introduction to Research" from 01.08.2022 to 01.10.2022.

111. Mr. S. Prakash, Assistant Professor of Electronics and Communication Engineering in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
112. Mr. S. Prakash, Assistant Professor of Electronics and Communication Engineering in the Faculty Development Program titled "Introduction to Machine Learning" from 01.07.2022 to 01.12.2022.
113. Mr. K. Sabarinathan, Assistant Professor of Electronics and Communication Engineering, participated in the two days National Level Seminar titled "Big Data Computing" from 01.08.2022 to 01.10.2022.
114. Mr. B. Theeban Chakkaravathy, Associate Professor of Electronics and Communication Engineering, participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
115. Mr. P. Maheshwaran, Lab Technician of Electronics and Communication Engineering, participated in the One Day NBA Awareness Program on 19.12.2022.
116. Mr. S. Panneerselvam, Lab Technician of Electronics and Communication Engineering, participated in the One Day NBA Awareness Program on 19.12.2022.
117. Mr. J. Seetharaman, Lab Technician of Electronics and Communication Engineering, participated in the One Day NBA Awareness Program on 19.12.2022.
118. Mrs. S. Radhika, Assistant Professor of Electrical and Electronics Engineering, participated in the Faculty Development Program titled "Introduction to Internet of Things" from 01.07.2022 to 01.10.2022.
119. Mr. D. Dhanasekaran, Lab Technician of Electrical and Electronics Engineering, participated in the One Day NBA Awareness Program on 19.12.2022.
120. Mr. K. Kalaiselvan, Lab Technician of Electrical and Electronics Engineering, participated in the One Day NBA Awareness Program on 19.12.2022.
121. Mr. V. Karthikeyan, Assistant Professor of Information Technology, participated in the Virtual National level Training Program titled "Artificial Intelligence-Based Digital Marketing" from 04.09.2022 to 08.09.2022.
122. Mr. S. Mahalingam, Assistant Professor of Management Studies, participated in the Virtual National level Training Program titled "Artificial Intelligence-Based Digital Marketing" from 04.09.2022 to 08.09.2022.

123. Mr. S. Mahalingam, Assistant Professor of Management Studies, participated in the Faculty Development Program titled "POM-IEDP" from 19.09.2022 to 21.09.2022.
124. Mrs. K. Pavithra, Assistant Professor of Management Studies, participated in the Virtual National level Training Program titled "Artificial Intelligence-Based Digital Marketing" from 04.09.2022 to 08.09.2022.
125. Mrs. R. Suriya, Assistant Professor of Management Studies, participated in the Virtual National level Training Program titled "Artificial Intelligence-Based Digital Marketing" from 04.09.2022 to 08.09.2022.
126. Mr. R. Amudhan, Assistant Professor of Mechanical Engineering, has participated in the ICSSR sponsored One day National Seminar titled "Environment @ 75: Net Zero Emission By 2050 - India's Policy & Pathways For Sustainable Fuels and Green Power Technologies Towards Clean Energy Economy" on 03.12.2022.
127. Mr. R. Amudhan, Assistant Professor, has participated in the Faculty Development Program titled "Futuristic Research in Mechanical Engineering" from 19.09.2022 to 23.09.2022.
128. Mr. R. Amudhan, Assistant Professor, has participated in the Faculty Development Program titled "Thermal Engineering-2" from 18.07.2022 to 23.07.2022.
129. Dr. K. Asaithambi, Associate Professor, has participated in the Faculty Development Program titled "Thermal Engineering" from 18.07.2022 to 23.07.2022.
130. Mr. George Oliver D, Assistant Professor, has participated in the Faculty Development Program titled "Recent Trends in Composite Materials and its Applications" from 23.08.2022 to 27.08.2022.
131. Mr. Murasu R, Assistant Professor, has participated in the Faculty Development Program titled "Computer Integrated Manufacturing" from 02.01.2022 to 01.04.2022.
132. Mr. Murasu R, Assistant Professor, has participated in the Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
133. Mr. Panneerselvam S, Assistant Professor, has participated in the Faculty Development Program titled "Thermal Engineering" from 18.07.2022 to 23.07.2022.

134. Mr. Sivaraman M, Assistant Professor, has participated in the Faculty Development Program titled "Recent Trends in Composite Materials and its Applications" from 23.08.2022 to 27.08.2022.
135. Mr. Solomon Durairaj P, Assistant Professor, has participated in the Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
136. Mr. Solomon Durairaj P, Assistant Professor, has participated in the Faculty Development Program titled "Recent Trends in Composite Materials and its Applications" from 06.09.2022 to 10.09.2022.
137. Mr. Velmurugan S, Assistant Professor, has participated in the Faculty Development Program titled "Recent Trends in Composite Materials and its Applications" from 06.09.2022 to 10.09.2022.
138. Mr. Anandhu V, Lab Technician, has participated in the One Day NBA Awareness Program on 19.12.2022.
139. Mr. Vaithiyanathan K, Lab Technician, has participated in the One Day NBA Awareness Program on 19.12.2022.
140. Mr. Vengadesan SB, Lab Technician, has participated in the One Day NBA Awareness Program on 19.12.2022.
141. Dr. V. Suresh, Professor, has participated in the Faculty Development Program titled "Futuristic Research in Mechanical Engineering" from 19.09.2022 to 23.09.2022.
142. Ms. Dayana Vinnarasi J, Assistant Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
143. Mrs. Jagadeeswary NR, Assistant Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
144. Mrs. Suganya P, Assistant Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
145. Mrs. Rajalakshmi R, Assistant Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
146. Mr. Rajasekar S, Assistant Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.

147. Dr. Sundaramoorthy A, Assistant Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
148. Mrs. Anitha B, Associate Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
149. Mrs. Jeyabhuvaneswari J, Associate Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
150. Dr. Prabhakaran A, Associate Professor, has participated in the Online Faculty Development Program titled "Outcome Based Education" from 24.08.2022 to 30.08.2022.
151. Mr. Palani V, Lab Technician, has participated in the One Day NBA Awareness Program on 19.12.2022.
152. Mr. Sridhar P, Lab Technician, has participated in the One Day NBA Awareness Program on 19.12.2022.
153. Mr. Daniel David, Staff, has participated in the One Day NBA Awareness Program on 19.12.2022.
154. Mr. Dinakar S, Staff, has participated in the One Day NBA Awareness Program on 19.12.2022.
155. Dr. Janagi A, Staff, has participated in the One Day NBA Awareness Program on 19.12.2022.
156. Mr. Jeyasanthan C, Staff, has participated in the One Day NBA Awareness Program on 19.12.2022.
157. Mrs. Kothai V, Staff, has participated in the One Day NBA Awareness Program on 19.12.2022.
158. Mr. Kuppusamy M, Staff, has participated in the One Day NBA Awareness Program on 19.12.2022.
159. Thiyagarajan V, Assistant Professor, completed the Value-Added Course / Training on "Computer Networks and Internet Protocol" from 22-01-2024 to 12-04-2024.
160. Thiyagarajan V, Assistant Professor, completed the Value-Added Course / Training on "AI FDP Training" from 22-01-2024 to 12-04-2024.
161. D. Saravanan, Assistant Professor, completed the Value-Added Course / Training on "Energy Efficient Building (Green Cement Sustainability)" from 29-01-2024 to 03-02-2024.

162. D. Saravanan, Assistant Professor, completed the Value-Added Course / Training on "Applied Seismology for Engineers" from 22-01-2024 to 12-04-2024.
163. Dr. K. Sakthi Murugan, Professor, completed the Value-Added Course / Training on "Geotechnical Engineering - I" from 22-01-2024 to 12-04-2024.
164. John William P, Assistant Professor, completed the Value-Added Course / Training on "Unlocking Industry Insights in Data Science" from 12-02-2024 to 16-02-2024.
165. Malathi R, Assistant Professor, completed the Value-Added Course / Training on "Cloud Computing" from 22-01-2024 to 12-04-2024.
166. Sivaprakash T, Assistant Professor, completed the Value-Added Course / Training on "Professional Readiness for Innovation, Employability and Entrepreneurship" from 19-08-2024 to 11-10-2024.
167. Sivaprakash T, Assistant Professor, completed the Value-Added Course / Training on "Unlocking Industry Insights in Data Science" from 12-02-2024 to 16-02-2024.
168. Subathiradevi M, Assistant Professor, completed the Value-Added Course / Training on "AI: The Omnipresent Sapient" from 24-06-2024 to 28-06-2024.
169. Vimal Raja R, Assistant Professor, completed the Value-Added Course / Training on "UI/UX" from 29-01-2024 to 03-02-2024.
170. Seethalakshmi N, Associate Professor, completed the Value-Added Course / Training on "Generative AI with Large Language Models" from 22-02-2024 to 28-02-2024.
171. Manikannan G, Assistant Professor, completed the Value-Added Course / Training on "Introduction to Industry 4.0 and Industrial Internet of Things" from 22-01-2024 to 12-04-2024.
172. Prabakaran P, Assistant Professor, completed the Value-Added Course / Training on "Introduction to Industry 4.0 and Industrial Internet of Things" from 22-01-2024 to 12-04-2024.
173. Sabarinathan K, Assistant Professor, completed the Value-Added Course / Training on "Analog IC Design" from 29-01-2024 to 03-02-2024.
174. Mahalakshmi G, Associate Professor, completed the Value-Added Course / Training on "Introduction to Industry 4.0 and Industrial IoT" from 22-01-2024 to 12-04-2024.
175. Dr. Sengeni, Professor, completed the Value-Added Course / Training on "Enhancing Soft Skills and Personality" from 19-02-2024 to 12-04-2024.
176. Dr. Sengeni, Professor, completed the Value-Added Course / Training on "Introduction to Industry 4.0 and Industrial Internet of Things" from 22-01-

2024 to 12-04-2024.

177. Karthikeyan V, Assistant Professor, completed the Value-Added Course / Training on "NAAC and Internal Quality Assurance" from 26-02-2024 to 01-03-2024.
178. Mahalingam S, Assistant Professor, completed the Value-Added Course / Training on "NAAC and Internal Quality Assurance" from 26-02-2024 to 01-03-2024.
179. Pavithra K, Assistant Professor, completed the Value-Added Course / Training on "NAAC and Internal Quality Assurance" from 26-02-2024 to 01-03-2024.
180. Priyadharshini P, Assistant Professor, completed the Value-Added Course / Training on "NAAC and Internal Quality Assurance" from 26-02-2024 to 01-03-2024.
181. Surya R, Assistant Professor, completed the Value-Added Course / Training on "NAAC and Internal Quality Assurance" from 26-02-2024 to 01-03-2024.
182. D. George Oliver, Assistant Professor, completed the Value-Added Course / Training on "Advancements in Engineering, Science and Technology" from 19-02-2024 to 15-03-2024.
183. D. George Oliver, Assistant Professor, completed the Value-Added Course / Training on "Social Innovation in Industry 4.0" from 22-07-2024 to 11-10-2024.
184. P. Solomon Durairaj, Assistant Professor, completed the Value-Added Course / Training on "Automation in Manufacturing" from 26-07-2024 to 15-10-2024.
185. R. Amudhan, Assistant Professor, completed the Value-Added Course / Training on "Advanced Machining Processes" from 22-01-2024 to 12-04-2024.
186. R. Amudhan, Assistant Professor, completed the Value-Added Course / Training on "Product Design and Manufacturing 3D Surface Modelling" from 29-01-2024 to 03-02-2024.
187. R. Krishnamoorthy, Associate Professor, completed the Value-Added Course / Training on "Product Design and Manufacturing" from 22-01-2024 to 12-04-2024.
188. Dhanalakshmi P, Assistant Professor, completed the Value-Added Course / Training on "Complex Geometry & Cryptosystems" from 20-04-2024 to 24-04-2024.

Students Winner in Road Safety Hackathon organized by Thiruppur Road Safety Committee and Startup Tamil Nadu

Students at Ideathon Presentation

SANCTIONED PROJECTS

1. Experimental Investigation on Soil Improvement Techniques
 Project Done by: R. Praveshkumar, W. Rex Aravinth, R. Sethuraman
 Guided by: Mr. D. Saravanan
 Department: Civil Engineering

This project focuses on utilizing fly ash and rice husk ash to explore effective soil improvement techniques, enhancing agricultural productivity.

2. Fabrication of a Smart Wheelchair

Project Done by: S. Ajeeth, V. Balamurugan, M. Dinesh, T. Jayagenaesh

Guided by: Mr. D. George Oliver

Department: Mechanical Engineering

The project involves the design and development of a smart wheelchair equipped with a B-type oxygen cylinder holder, aimed at improving the quality of life for COPD patients.

3. Intelligent Edge IoT-Enabled Livestock Management Framework

Project Done by: K. Ganesh, A. Johnson

Guided by: Mr. G. Manikannan

Department: Electronics and Communication Engineering

This initiative focuses on developing an IoT-enabled framework for livestock management, aiming to optimize farming practices and enhance productivity.

4. Automatic Peanut Sowing Machine for Smart Agriculture System

Principal Investigator: Dr. N. Kamalakannan

Funding Agency: Unnat Bharat Abhiyan

Amount Sanctioned: 1 Lakh INR

5. Automatic Cashew Shelling Machine for Empowering Village Women for Healthy and Sustainable Livelihood

Principal Investigators: Dr. N. Kamalakannan & Dr. A. Arulvizhi

Funding Agency: Unnat Bharat Abhiyan

Amount Sanctioned: 1 Lakh INR

6. Empowering Underprivileged Communities with Solar Street Lights

Principal Investigator: Dr. N. Kamalakannan

Funding Agency: Unnat Bharat Abhiyan

Amount Sanctioned: 1 Lakh INR

7. Pradhan Mantri Kaushal Vikas Yojana (PMKVY)

Principal Investigator: Dr. S. Saravanan

Funding Agency: National Skill Development Corporation

Amount Sanctioned: 19.47340 Lakhs INR

8. Effect of Ceramic Waste Aggregates in Flyash-Based Geopolymer Paver Block

Guided By: Dr . K. Sakthimurugan

Funding Agency: TNSCST-Students Project Scheme

Amount Sanctioned: 0.075 Lakh INR

9. Empowering Young Aquaculture Entrepreneurs by Enhancing Fish Health with IoT and Edge Computing Using Machine Learning

Guided By : Mrs. Elakiya V

Funding Agency: TNSCST-Students Project Scheme

Amount Sanctioned: 0.075 Lakh INR

10. De-identification of DICOM Documents Using Natural Language Processing

Guided By: Mr. S. Prakash

Funding Agency: TNSCST-Students Project Scheme

Amount Sanctioned: 0.075 Lakh INR

11. Rural Area Rain Water Harvesting

Guided By: Dr. A. Arulvizhi

Funding Agency: TNSCST-Students Project Scheme

Amount Sanctioned: 0.075 Lakh INR

12. Design and Fabrication of Peltier Air Conditioner System in Helmet

Guided By: Mr. P. Solomon Durairaj

Funding Agency: TNSCST-Students Project Scheme

Amount Sanctioned: 0.075 Lakh INR

13. An IoT-Based Approach for Real-Time Fault Detection & Localization in Street Light Networks

Guided By : Mr. M. Kalaivanan

Funding Agency: Niral Thiruvizha

Amount Sanctioned: 0.10 Lakh INR

14. Enhancing Safety in the Oil and Gas Industry Through Sensor-Based Level Alert System in an IoT Environment

Guided By: Mr. M. Kalaivanan
Funding Agency: Niral Thiruvizha
Amount Sanctioned: 0.10 Lakh INR

15. Smart Industries: Proactive Explosion Risk Monitoring

Guided By: Mrs. V. Elakiya
Funding Agency: Niral Thiruvizha
Amount Sanctioned: 0.093 Lakh INR

These projects not only showcase the innovative spirit of our students but also reflect the valuable mentorship provided by our faculty, guiding the next generation of engineers towards impactful solutions in their fields.

FACULTY PUBLICATIONS

1. Solving Combined Economic and Emission Dispatch using Improved Bat Algorithm – K. Rajavelu (EEE), International Journal of Research and Analytical Reviews, 2023, ISSN: 2348-1269.
2. Evaluation of Nickel Shot Peening Process on Strength of Friction Stir Welded AA2014-T6 Aluminum Alloy Joints – K. Mallieswaran (Mechanical), Practical Metallography, 2023, ISSN: 2195-8599.
3. Substitution of Diesel Fuel in Conventional Compression Ignition Engine with Waste Biomass-Based Fuel and its Validation Using Artificial Neural Networks – R. Krishnamoorthy (Mechanical), Process Safety and Environmental Protection, 2023, ISSN: 0957-5820.
4. Challenges and Opportunities of Low Viscous Biofuel—A Prospective Review – R. Krishnamoorthy (Mechanical), ACS Omega, 2023, ISSN: 1520-5126.
5. Design of 243-Level Trinary Ladder Multilevel Inverter Using VHDL – R. Nithya,
6. M. Arulaalan (ECE), Journal of Survey in Fisheries Sciences, 2023, ISSN: 2368- 7487.
7. Low Light Color Balancing and Denoising by Machine Learning Based Approximation for Underwater Images – M. Arulaalan (ECE), Journal of Intelligent & Fuzzy Systems, 2023, ISSN: 1875-8967.

8. Fault Identification in Modified Hybrid Digital Pulse Width Modulation Using Triple Modular Redundancy – G. Mahalakshmi (ECE), WSEAS Transactions on Circuits and Systems, 2023, ISSN: 1109-2734.
9. Sensitive Product Feature Integrity and Confidentiality Using Blockchain- Based IoT Architecture – S. Goplakrishnan (CSE), Measurement: Sensors, 2023, ISSN: 2665-9174.
10. Bridgeless Isolated Sepic PFC for EV Battery Charging Using ANN Controller –
11. A. Arulvizhi (EEE), ARPN Journal of Engineering and Applied Sciences, 2023, ISSN: 1819-6608.
12. Design of a Triple-Bandpass Filter Using a Modified T-Shaped Rectangular Coupled with a Stepped Impedance Resonator for Smart Portable Communication Devices – M. Arulaalan (ECE), Materials and Technology, 2023, ISSN: 1580-2949.
13. Marine Predators Algorithm with Deep Learning for Solar Photovoltaic Optimization – Dr. N. Kamalakannan (EEE), Renewable Energy, ISSN: 0960- 1481.
14. Multi-Model Feature Fusion for Lung Cancer Detection – Dr. N. Seethalakshmi (CSE), Journal of Intelligent Systems and Internet of Things, ISSN: 2690-6791.
15. Bio-Cellulose Derived rGO Supported Hybrid Composite for Solar Cells – Dr. D. Sengeni (ECE), Journal of Materials Science: Materials in Electronics, ISSN: 0957-4522.
16. Optimization of Pyrolysis Process for Waste Plastic Oil Yield – Dr. R. Krishnamoorthy (Mechanical Engineering), Results in Engineering, ISSN: 102066.
17. Effect of Heat Treatment on Aluminium Alloy Joints – Dr. K. Mallieswaran (Mechanical Engineering), Metal Science and Heat Treatment, ISSN: 564-572.
18. Design of a Triple-Bandpass Filter for Communication Devices – Dr. M. Arulaalan (ECE), Materials and Technology, ISSN: 1580-2949.

19. Substitution of Diesel Fuel with Biomass-Based Fuel – Dr. R. Krishnamoorthy (Mechanical Engineering), Process Safety and Environmental Protection, ISSN: 1234-1248.
20. Data Set Classification of Plant Diseases Using Machine Learning – G. Mahalakshmi, P. Jegadeeshwari, Dr. D. Sengeni (ECE), GIS Science Journal, ISSN: 1869-9391.

CONFERENCE PROCEEDINGS

1. S. Prakash, M. Arulaalan, M. Kalaivanan
Title: A Hybrid Cubic Dielectric Loaded Tri-Band Antenna for Biomedical Applications
Conference: IEEE International Conference on Smart Technologies and Systems for Next Generation Computing (ICSTSN 2023)
2. M. Kalaivanan
Title: The WhatsApp Based Cost-Effective Automation at Homes through the Internet of Things
Conference: International Conference on Smart Structures and Systems
3. D. Sengeni
Title: A Comparative Study in the Design of an ANN Based Controller
Conference: 3rd International Conference on Pervasive Computing and Social Networking (ICPCSN 2023)
4. Enhancing Microservices Efficiency: Integrating Adaptive Learning for Automated Scaling – R. VimalRaja, International Conference for Innovation in Technology (INOCON), ISSN: 979-8-3503-8193-1.
5. Advanced Cloud File Transfer Security with AES and RSA Algorithm – R. VimalRaja, International Conference on Advances in Computer Science and Technologies (ICACST'23), ISSN: 978-93-6076-134-9.
6. IoT Product on Smart Water Quality Monitoring System for Puducherry Union Territory – Mr. G. Manikannan, IEEE International Conference, ISBN: 979-8-3503-1845-6.
7. Experimental Analysis of Polymer-Infused Fly Ash Concrete – B. Ramamorthy, S. Sashmitha, and B. Sumithra, Recent Advancements in Engineering, Management, Arts and Science, ISBN: 978-93-91697-56-3.
8. Modeling of Advanced Sensor-based Distributed Control System – Dr.

D. Sengeni, International Conference on Expert Clouds and Applications (ICOECA), ISSN: 979-8-3503-8579-3.

9. Strength and Durability Characteristics of High Strength Concrete – Dr. K. Sakthimurugan, National Conference, ISBN: 978-93-83409-90-7.

BOOKS AND BOOK CHAPTERS

1. D. Sengeni
Title: Biomedical Waste Handling Method Using Artificial Intelligence Techniques
2. S. Radhika
Title: Electrical Machines-II
3. D. Santhakumar
Title: A Study on Attribute Selection Methodologies in Microarray Data to Classify the Cancer Type
4. Dr. R. Kanimozhi
Title: Optimizing Fractal Image Compression via Metaheuristic Algorithms, ISBN: 978-620-7-45744-1.
5. Dr. D. Sengeni
Title: Safe Disposal Methods of Municipal Solid Waste, Book Chapter, ISBN: 978-1-6684-8117-2.
6. Dr. D. Sengeni
Title: Intelligent Solution for Sustainable Power Grid, Book Chapter, ISBN: 979-8-3693-3735-6.
7. Dr. M. Selvaganapathy
Title: Microwave Engineering, Textbook, ISBN: 978-81- 962206-4-8.
8. Dr. M. Selvaganapathy
Title: Advanced Network Security, Textbook, ISBN: 978-81- 19140-31-2.
9. Mrs. N. R. Jagadeeswary, Mrs. R. Aruna
Title: Deterministic Inventory Replenishment Problem for Deteriorating Items, Book Chapter, ISBN: 978-93-91697-59- 4.

PATENTS PUBLICATION

1. 3D Printed Prosthetic Arm – Dr. A. Arulvizhi, Dr. N. Kamalakannan, Mr. R. Karthick, Mr. R. Sreenivasan, Mrs. S. Sivaranjani, Granted, Patent No. 6379151, Date: 25.07.24, Department: EEE.
2. Design and Development of Automated Attendance Management System Based on Face Recognition Algorithms – D. Santhakumar, R.

Rampriya, A. Balajee, A. Poongodi, K. Vamshee Krishna, M. Selvaganapathy, V. Thiyagarajan, Mr. A. Vadivelu, Published, Patent No. 202341043568, Date: 01.09.23, Department: CSE.

3. Iridodiagnosis System: Combining Iridology and Iris Recognition Technique to Predict Cardio-Vascular Diseases – B. Theeban Chakkaravarthy, M. Arulaalan, D. Sengeni, P. Prabakaran, G. Manikannan, R. Nithya, K. Sabarinathan, M. Kalaivanan, S. Prakash, G. Mahalakshmi, Kanimozhi Rajasekaran, V. Anupriya, Published, Patent No. 202341062029, Date: 06.10.23, Department: ECE.
4. Synthesized Titanium Dioxide for Photocatalytic Degradation – S. Anandhavelu, A. Dhandapani, V. Hariharan, S. Prakash, Ajay Singh Yadav, P. Vijayakumar, U. Rizwan Sulthana, Published, Patent No. 202341058876, Date: 06.10.23, Department: S&H.
5. Advanced Robotic Controlled Land Vehicle – Dr. S. Saravanan, A. Arulvizhi, N. Kamalakannan, R. Karthick, D. Venkatesan, S. Radhika, K. Rajavelu, K. Devaneyan, R. Sreenivasan, S. Sivaranjani, Published, Patent No. 202341072007, Date: 01.12.23, Department: EEE.
6. Method and System for Optimized Control of Servo Motors using PID and Fuzzy PD Controllers – Dr. D. Sengeni, Ms. N. S. Madhuri, Ms. Divya C. S., Mr. P. Siva Subramanian, Dr. C. S. Sundar Ganesh, Dr. Sekar K., C. Jeeva, Department: ECE, Patent No.: 202341012530, Date: 17.03.23.
7. Machine Learning Based Edge Computing to Handle the Large Amounts of Data Generated by Industrial Machines – D. Santhakumar, V. Elakiya, C. Sudha, S. Gopalakrishnan, P. John William, K. Ramesh, M. Subathira Devi, R. Malathi, V. Thiyagarajan, S. Arshiya Kausar, Department: CSE, Patent No.: 202341023252, Date: 07.04.23.
8. IoT-Driven Platform that Uses Augmented Reality Exergaming to Assess Physical and Mental Activities – D. Santhakumar, Patent No.: 202241030368, Department: CSE, Date: 10.06.22.
9. A Certificate Authentication System with Blockchain for IoT with 5G Network, Dr. D. Sengeni, Patent No.: 202241050947, Department: ECE, Date: 16.09.22.
10. Design and Develop the Advanced Solar-Based Electric Vehicle Charging Station – Dr. S. Saravanan, A. Arulvizhi, N. Kamalakanna, R. Karthick, D. Venkatesan, S. Radhika, K. Rajavelu, K. Devaneyan, M. Sathish Kumar, S. Sivaranjani, Patent No.: 202241064810, Department: EEE, Date: 25.11.22.

11. Smart Helmet System Using Sensors, GPS, and GSM Technology - K. Mallieswaran, S. Agaramudhalvan, Patent No.: 202241073971, Department: Mechanical, 30.12.22.

FACULTY INVEST IN YOURSELF (IIV)

1. Mr. Murasu R, faculty of Mechanical Engineering, completed the online course titled "Rapid Manufacturing" on NPTEL with 75%.
2. Ms. Mahalakshmi G, faculty of Electronics and Communication Engineering, completed the online course titled "Digital Image Processing" on NPTEL with 52%.
3. Mr. Kamalakannan N, faculty of Electrical Engineering, completed the online course titled "Understanding Incubation and Entrepreneurship" on NPTEL with 60%.
4. Ms. Arshiya Kausar, faculty of Computer Science and Engineering, completed the online course titled "Problem Solving Through Programming in C" on NPTEL with 53%.
5. Ms. Anitha B, faculty of Physics, completed the online course titled "Basic Environmental Engineering and Pollution Abatement" on NPTEL with 55%.
6. Ms. Subathiradevi, faculty of Computer Science and Engineering, completed the online course titled "Cloud Computing" on NPTEL with 55%.
7. Ms. Zeenath Fathima, faculty of Mechanical Engineering, completed the online course titled "Cyber Security and Privacy" on NPTEL with 65%.
8. Mr. Sivaraman M, faculty of Mechanical Engineering, completed the online course titled "Rapid Manufacturing" on NPTEL with 72%.
9. Ms. Kanimozhi Rajasekaran, faculty of Electronics and Communication Engineering, completed the online course titled "Digital Image Processing" on NPTEL with 51%.
10. Mr. Rajavelu K, faculty of Electrical Engineering, completed the online course titled "Physics of Renewable Energy Systems" on NPTEL with 60%.
11. Mr. Shyamkumar M, faculty of Civil Engineering, completed the online course titled "Municipal Solid Waste Management" on NPTEL with 64%.
12. Dr. John Baruch, faculty of Mechanical Engineering, completed the online course titled "Accreditation and Outcome Based Learning" on NPTEL with 75%.
13. Mr. Venkatesan D, faculty of Electrical Engineering, completed the online course titled "Physics of Renewable Energy Systems" on NPTEL with 55%.
14. Mr. Karthick R, faculty of Electrical Engineering, completed the online course titled "Physics of Renewable Energy Systems" on NPTEL with 56%.

15. Mr. Mallieswaran K, faculty of Mechanical Engineering, completed the online course titled "Social Innovation in Industry 4.0" on NPTEL with 75%.
16. Ms. Sivaranjani, faculty of Electrical Engineering, completed the online course titled "Smart Grid: Basics to Advanced Technologies" on NPTEL with 53%.
17. Ms. Sashmitha S, faculty of Civil Engineering, completed the online course titled "Municipal Solid Waste Management" on NPTEL with 72%.
18. Mr. Vijayabaskar L, faculty of Mechanical Engineering, completed the online course titled "Engineering Metrology" on NPTEL with 66%.
19. Ms. Anupriya V, faculty of Electronics and Communication Engineering, completed the online course titled "Google Cloud Computing Foundations" on NPTEL with 69%.
20. Mr. Prabakaran P, faculty of Electronics and Communication Engineering, completed the online course titled "Accreditation and Outcome Based Learning" on NPTEL with 57%.
21. Ms. Radhika S, faculty of Electrical Engineering, completed the online course titled "Sustainable Power Generation Systems" on NPTEL with 61%.
22. Ms. Jeyabuvaneswari, faculty of Physics, completed the online course titled "Physics of Renewable Energy Systems" on NPTEL with 68%.
23. Mr. Amudhan R, faculty of Mechanical Engineering, completed the online course titled "Joining Technologies for Metals" on NPTEL with 60%.
24. Mr. George Oliver D, faculty of Mechanical Engineering, completed the online course titled "Social Innovation in Industry 4.0" on NPTEL with 71%.
25. Mr. Panneer Selvam S, faculty of Mechanical Engineering, completed the online course titled "Social Innovation in Industry 4.0" on NPTEL with 90%.
26. Mr. T. Santhosh Kumar, faculty of Civil Engineering, completed the online course titled "Municipal Solid Waste Management" on NPTEL with 60%.
27. Mr. Sreenivasan R, faculty of Electrical Engineering, completed the online course titled "Physics of Renewable Energy Systems" on NPTEL with 64%.
28. Mr. Sabarinathan K, faculty of Electronics and Communication Engineering, completed the online course titled "Ethical Hacking" on NPTEL with 56%.
29. Mr. K. Sakthimurugan, Assistant Professor of Civil Engineering, completed an NPTEL course titled Geotechnical Engineering - 1 with a percentage of 43%. He successfully completed the course.
30. Mr. M. Sivaraman, Assistant Professor of Mechanical Engineering, completed an NPTEL course titled Product Design and Manufacturing with a percentage of 70%. He earned an Elite certification.
31. Mr. John William P, Assistant Professor of Computer Science and Engineering, completed an NPTEL course titled Introduction to Automata, Languages, and

Computation with a percentage of 54%. He successfully completed the course.

32. Dr. D. Sengeni, Assistant Professor of Electronics and Communication Engineering, completed an NPTEL course titled Enhancing Soft Skills and Personality with a percentage of 58%. He successfully completed the course.
33. Mr. M. Kalaivanan, Assistant Professor of Electronics and Communication Engineering, completed an NPTEL course titled Introduction to Industry 4.0 and Industrial Internet of Things with a percentage of 63%. He earned an Elite certification.
34. Mr. Manikannan, Assistant Professor of Electronics and Communication Engineering, completed an NPTEL course titled Introduction to Industry 4.0 and Industrial Internet of Things with a percentage of 68%. He earned an Elite certification.
35. Dr. D. Sengeni, Assistant Professor of Electronics and Communication Engineering, also completed an NPTEL course titled Introduction to Industry 4.0 and Industrial Internet of Things with a percentage of 75%. He earned an Elite+Silver certification.
36. Ms. Sashmitha S, Assistant Professor of Civil Engineering, completed an NPTEL course titled Applied Seismology for Engineers with a percentage of 49%. She successfully completed the course.
37. Mr. R. Sreenivasan, Assistant Professor of Electrical Engineering, completed an NPTEL course titled Introduction to Industry 4.0 and Industrial Internet of Things with a percentage of 75%. He earned an Elite+Silver certification.
38. Ms. Zeenath Fathima, Assistant Professor of Mechanical Engineering, completed an NPTEL course titled Introduction to Industry 4.0 and Industrial Internet of Things with a percentage of 80%. She earned an Elite+Silver certification.
39. Ms. M. Subathiradevi, Assistant Professor of Computer Science and Engineering, completed an NPTEL course titled Introduction to Database Systems but did not receive a certificate, with a percentage of 35%.
40. Mr. K. Rajavelu, Assistant Professor of Electrical Engineering, completed an NPTEL course titled Renewable Energy Engineering: Solar, Wind and Biomass Energy Systems but did not receive a certificate, with a percentage of 48%.
41. Mr. D. Venkatesan, Assistant Professor of Electrical Engineering, completed an NPTEL course titled Renewable Energy Engineering: Solar, Wind and Biomass Energy Systems but did not receive a certificate, with a percentage of 47%.
42. Ms. B. Anitha, Assistant Professor of Physics, completed an NPTEL course titled Introduction to Environmental Engineering and Science – Fundamental and

Sustainability Concepts with a percentage of 49%. She successfully completed the course.

43. Mr. D. George Oliver, Assistant Professor of Mechanical Engineering, completed an NPTEL course titled Energy Resources, Economics and Environment but did not receive a certificate, with a percentage of 37%.

44. Dr. Selvaganapathy Manoharan, Assistant Professor of Electronics and Communication Engineering, completed an NPTEL course titled Leadership and Team Effectiveness with a percentage of 62%. He earned an Elite certification.

45. Ms. S. Radhika, Assistant Professor of Electrical Engineering, completed an NPTEL course titled Renewable Energy Engineering: Solar, Wind and Biomass Energy Systems with a percentage of 60%. She earned an Elite certification.

46. Mr. T. Santhosh Kumar, Assistant Professor of Civil Engineering, completed an NPTEL course titled Air Pollution and Control with a percentage of 70%. He earned an Elite certification.

47. Ms. S. Preetha, Assistant Professor of Mathematics, completed an NPTEL course titled Engineering Mathematics II with a percentage of 77%. She earned an Elite+Silver certification.

48. Mr. Panneerselvam S, Assistant Professor of Mechanical Engineering, completed an NPTEL course titled Advanced Machining Processes with a percentage of 83%. He earned an Elite+Silver certification.

49. Mr. R. Amudhan, Assistant Professor of Mechanical Engineering, completed an NPTEL course titled Advanced Machining Processes with a percentage of 69%. He earned an Elite certification.

50. Ms. Jeyabuvaneswari, Assistant Professor of Physics, completed an NPTEL course titled Non-conventional Energy Resources but did not receive a certificate, with a percentage of 49%.

Dr. N. Kamalakannan, SPOC of NPTEL received an appreciation from the NPTEL Local Chapter for his excellent contribution in the promotion of NPTEL at the Institute Level

Mr. R. Murasu and Mr. R. Amudhan, Assistant Professor of Mechanical Engineering received certificate of appreciation for being recognized as a NPTEL Discipline Star for the Jan-Apr 2024 Examination

The faculty members of CSE, AI&DS and EEE received certificate of appreciation for their excellent contribution for mentoring the students for the successful completion of courses
