

# CLOVIS POLICE DEPARTMENT

## Camera-On-Wheels Car Camera Trailer

Meet the COW Car

(Camera-On-Wheels Car)!

This Clovis Police patrol vehicle has been specially equipped with high-resolution cameras capable of recording and sending real-time video for up to a week at a time!

You will see our COW Car around Clovis, parked unattended at various community events, high-traffic areas, and other locations that may be experiencing crime. Another addition is a new camera trailer, with the same capabilities as the COW Car!

If you're a business or property owner that is interested in having our COW Car or camera trailer deployed near your business that is experiencing crime, email your Clovis Police Department at [ClovisPolice@clovisca.gov](mailto:ClovisPolice@clovisca.gov).
