

Dr. RITA RENEE

Brand Overview

Dr. Rita Renee is a TEDx and international speaker, author, healthcare leader, and faith-based mentor who empowers women to come off mute, step out of the shadows, and lead with clarity, courage, and conviction.

Known for her ability to blend lived experience, leadership expertise, and faith-anchored insight, Dr. Rita Renee equips women to stop shrinking, stop silencing themselves, and start owning their voice, values, and vision without apology and without compromise.

Her work speaks directly to high-achieving women who have carried responsibility, leadership, and service for years but are ready to move from silent endurance to visible influence.

Mission Statement

To equip women to speak with confidence, lead with character, and steward their influence with excellence personally, professionally, and purposefully.
