THE MERCY UNIVERSITY OF NEW JERSEY

July 2025

Dear Friends,

With sincere appreciation, we are pleased to share the *Honor Roll of Donors for Corporate, Foundation, and Government Grants* for the fiscal year 2024–2025.

Your generosity makes a profound difference in the lives of our students. Because of your support, Georgian Court University continues to advance its mission by providing critical scholarships, academic support services such as tutoring, counseling, and advising, and the technology and infrastructure essential to a high-quality educational experience. These investments help ensure that students not only begin their academic journeys but are empowered to persist, succeed, and graduate.

The following list is both a celebration of generosity and a heartfelt expression of our gratitude. Each name represents a meaningful partnership and a shared commitment to student success. Every gift—regardless of size—plays a vital role in expanding opportunity and creating lasting impact.

As we look ahead, we remain committed to strengthening existing partnerships and cultivating new collaborations that broaden access and opportunity for our students. Together, we are building pathways that support students throughout their academic journeys and prepare them to thrive beyond the classroom.

On behalf of the Georgian Court University community, thank you for your belief in our mission, and for your generous investment to advancing student success.

Best regards,

Lori Raia Thomas
