LIFE CARE

OUR VISION

Supporting and enriching the lives of people in our local communities through caring and compassionate services.

WHAT WE VALUE

We value the diverse local communities we serve and the opportunity to build respectful and trusting relationships.

We aim to make ethical, transparent, and well-intentioned decisions for the benefit of the communities we serve.

We strive for equality where the communities we serve are treated with compassion, respect, dignity, and fairness.

OUR SOCIAL IMPACT

The service areas we want to see positive change and address challenges

COMMUNITY RELIEF

Life Care is committed in developing an effective local community service to support people experiencing financial hardship, crisis, homelessness and isolation.

FAMILY SUPPORT

Life Care is committed in coming alongside families to ensure that they have the best possible resources and support to develop and maintain a thriving healthy family environment.

DOMESTIC VIOLENCE RECOVERY

Life Care is committed to providing wholistic support services to those that are experiencing or have been impacted by domestic violence to regain control of their lives.
