Are You a Woman Feeling a Bit Isolated?

Would you like some companionship, a sense of purpose, and a chance to help another woman rebuild her life?

You Can Make a Difference.

We're looking for caring women who have a spare room and are open to offering **free or low-cost** accommodation to a woman transitioning from a domestic violence shelter.

Why This Matters:

- Many women leaving shelters need a safe place to stay as they start over.
- Some women in our community feel alone and would love to share their home and life with someone who needs a helping hand.
- This is a **mutually supportive** arrangement – not just about providing shelter, but building connection and community.

What We Provide:

- ✓ Careful matching to ensure a good fit
- ✓ Ongoing check-ins and support
- ✓ You choose who stays with you
- ✓ Full support to make it a positive experience
