Fill your life
with fragrance

hello, friends!

We have so much to look forward to this season. Not only are we counting down to the sunniest days of the year — I truly believe that being outside is good for the soul — but our entire Scentsy community is excited to spend more time together celebrating at upcoming events, travelling the world for incentive trips and making new memories with each other.

That sense of cheerful expectation is in the air at Scentsy, and we filled the new catalogue with bright and refreshing fragrances, warmer designs and so much more to help you embrace it. Don't miss the *Savanna Warmer* (page 16) and *Lake My Day Scentsy Bar* (page 18), perfect for bringing the outdoors in.

Whether you're here to fill your life with the season's new fragrances, earn a few Host Rewards or make this the year you start a Scentsy business of your own, you are welcome here.

Have fun!

An air of freshness

Most people spend an average 90% of their time indoors, where pollutant levels can be surprisingly higher than they are outside.* The Scentsy Air Purifier quietly cleans the air around you while also dispersing signature Scentsy fragrance, so your environment is left clean and beautifully scented.

The Scentsy Air Purifier uses a HEPA H13 filter capable of removing **at least 99.95% of airborne particles** as small as 0.3 microns (µm) — including dust, pollen, mould and bacteria — and releases clean air through Scentsy Pods.

- **Use up to two Scentsy Pods** to enjoy instant fragrance!
- **Three fan settings:** Auto, Low and High. In Auto mode, the fan will automatically switch to High to quickly clean the air when it identifies unwanted particles.
- **Run continuously or set a timer** for two, four or eight hours.
- **Air quality indicator light** lets you know when particles are detected and when the air is clean.
- **Ideal for small spaces** up to 200 sq. ft. (19 m²), like nurseries, home offices, bedrooms and more.
