POLICIES & REMINDERS FOR ALL 2026 JEEP JAMBOREES

EVENT WAIVER

A fully completed and signed **Release of Liability Waiver** is required for all occupants of your Jeep and must be brought with you to on-site registration. A parent or the minor's legal guardian must sign and date a waiver for passengers under 18 years old. Your properly completed **Release of Liability Waiver**, is required before you may receive your event credentials.

NEW ON-SITE REGISTRATIONS & CHANGES ARE NOT ACCEPTED

All new registrations of vehicles as well as adding, deleting, or changing passengers must be completed (14) fourteen days prior to the Jamboree date. Please refer to the refund and transfer policy on the last page of this itinerary.

MAXIMUM TIRE SIZE

Participant Jeep tire size is not to exceed 40". If you exceed the tire limitations you will be turned away at registration, will not be allowed to attend, and will not receive a refund.

VEHICLE MODIFICATIONS

- Seat belts are required in all vehicles for all occupants.
- Maximum suspension lift allowed is 6".
- Your Jeep must be street legal, registered and insured.
- Buggy-style Jeeps are not allowed.

If you have questions regarding the acceptability of your vehicle, please contact your Adventure Consultant. If you do not meet the above conditions, you will be turned away at registration, will not be allowed to attend, and will not receive a refund. Admission of highly modified Jeeps without prior approval is subject to the discretion of the Jeep Jamboree Event Staff.

GMRS-COMPATIBLE RADIOS ARE REQUIRED

A working GMRS-compatible radio is mandatory for all Jeep Jamboree events. Please see the last page of this itinerary or visit <https://link.jeepjam.com/radios> for more information.

DRONE POLICY

Many of the land owners, federal and local agencies, etc. prohibit the use of drones. Most drones require you to have a Part 107 license if you are flying over people or publish videos. Many times our stops are for bathroom breaks which are inappropriate times for drone flights. If you may legally fly your drone, permission is still required from the guides on your trail and you must not cause any delays or disruptions as determined by the guides or staff. You are responsible for any damage, fines, penalties, and/or legal action incurred in the operation of your drone.

KNOW BEFORE YOU GO

The Jeep Jamboree USA Off-Road Driving Tips booklet is the ultimate guide to safe, common sense off-road driving. View the guide at <https://link.jeepjam.com/drivingtips>

FOLLOW THE FLOW

When you arrive at a Jeep Jamboree, you must complete these steps in this order:

Vehicle Evaluation → **Registration** → **Trail Sign-Up**

You will not be permitted to sign-up for trails until you have completed Vehicle Evaluation and Registration.

PHOTO ID REQUIRED AT REGISTRATION

The driver of record is required to show a photo ID when presenting your waiver and picking up your registration packet. The names on the ID and registration must match or you will be turned away without a refund.

NAME BADGE

Each person must wear their name badge throughout the entire Jamboree. A name badge is required for meals and must be presented whenever requested by a guide or staff member.

TRAIL STICKERS

Trail stickers provided at trail sign-ups must be displayed on your windshield prior to departing for any off-road trail ride.

TRAIL CONDITIONS

Trail conditions can vary widely between trails and even on the same trail on different days. Factors such as weather, other Jeepers, and the line you choose all have an effect on the trail and how your Jeep will traverse it. Rainfall, even from days prior, may increase trail ratings 1 or 2 points. When in doubt, ask a Jeep Jamboree Trail Guide for guidance. Please note that Federal, Tribal and Private landowners may limit the amount of brush we are able to trim back on a trail.

WEATHER CONDITIONS

Weather conditions can be dynamic at a Jeep Jamboree. We recommend you look at a 10-day forecast of weather conditions. Be sure to check the weather for all areas listed in the itinerary as different locations may have very different temperatures.

SAFETY EQUIPMENT

A fire extinguisher and first aid kit are highly recommended.

REQUIREMENTS FOR WINCH OWNERS

Winch owners are required to have an appropriately rated tree saver and soft shackle in your Jeep.

A MESSAGE FROM YOUR COAL MOUNTAIN COORDINATOR...

We are pleased to have you join us at AOAA for the Coal Mountain Jeep Jamboree. New and exciting things are always happening with the property as our team of trail guides along with AOAA Staff continue to develop the trail system while adding great new obstacles and challenging terrain. Our trails are diverse and will offer rides for stock to modified rigs. Mild to wild, deep mud, dirt and rocks, water crossings, plenty of off camber, and a few pucker factors along the way will only add to your excitement. Some of the trails are not for the faint of heart, however, we have something for everyone.

Please understand that this Jamboree has a considerable amount of driving time from one venue to another. Venues that are large enough to accommodate the number of participants attending the Jamboree are limited. The neighboring communities are spread out. **There are no closer hotels to stay at.** We apologize for the inconvenience; however, we know that once you have experienced the trail system you will think that it was worth the drive.

Our greatest testimony is the large number of returning Jeeps and their families. Last year, AOAA was recognized by Jeep with two official Badge of Honor trails both of which are included in four of our trail rides.

TRAIL DESCRIPTIONS

The following trails are a brief description of what *may* be available and trails are subject to change. The guides are developing new trails in the off season to continually provide new experiences. We have two sides of the property (East & West) so be sure to see both sides! Please go to our Facebook page and join the Discussion Group for the Coal Mountain Jeep Jamboree to be kept up to date on information pertaining to this Jamboree. The Discussion Groups are a great way to connect with participants as well as be notified of changes before and after the event.

West Side

HO–BD Highway • Rating 2–4

This trail ride gives a great overview of the west property that includes mud, rocks, and coal dirt along with scenic overlooks such as “The Caves Overlook” and “The Whaleback”. We may also encounter active mining near the “Fan House”. There is a wide variety of terrain from forest trails that highlight the region’s coal mining history, up and down hills, mud and water pits, tight tree sections, and a rocky creek bottom in the “Little Rock Creek” area.

Coal Crackers • Rating 4–6

Start with a loop to get you back into off-road mode, tackling rocks along the way. Then travel through the woods to conquer tight, winding loops as you zigzag between trees and rocks. Relax briefly on your way to the Fern Ridge Trail, **now a Jeep Badge of Honor trail**. Begin the Badge of Honor challenge with the rocky, nonstop Fern Ridge Challenge, then continue onto the original Fern Ridge Trail, featuring an optional drop into the Fern Ridge Hole—climbing out will test both driver and Jeep. Next, take on the Jersey Trench, where rocks come close enough to your windows to make this no time for the jitters. Finally, enjoy a more relaxed ride through the woods on the Fern Ridge Extension as you make your way back to the trailhead.

NEW FOR 2026 – “No Name” • Rating 5–6

Head west friends. The Guides of Coal Mountain have developed a NEW Blue level trail for the West Side...the “NO NAME” trail. Routes like this commonly pull their name from whatever happens when the rubber hits the trail, so let see how things evolve. Maybe a Jamboree participant will have a great off-roading experience to help with selecting a name. Drive through open woods to a starting loop where you’ll get into off-road mode traveling through tight spots, uphill ascents, downhill descents, and numerous rock obstacles as you tackle the trail.

West Side – Breaker Boys • Rating 7–8

Big Boy rock garden early into the newer section. Then to Rockface Outlook and up a rocky hill that travels to Kutch’s Krack (see Mike Kutch for that story) and Fern Ridge Trail East, **an official Jeep Badge of Honor trail**, featuring numerous rock garden loops. From there, hit the NJ Trench downhill and out to the “Stairway to Heaven” then eastbound on Fern Ridge Trail West where a hill rock garden offers several different lines you pick your challenge!

East Side

Mud Mining • Rating 2–4

This will cover a large portion of the east side property. If you are looking for something scenic and historic this is your trail. It includes tight trails that test your driving ability as well as hill ascents, hill descents, rocks (you are in coal country after all), off camber obstacles, and some mud if mother nature cooperates

East Bound and Down • Rating 5–7

Loop in and out of the trees, discovering rocky washouts, hill climbs, and descents along the way. Begin challenging yourself in Green Briar, a looping, twisting rock garden bordered by briar bushes and ending in a gulley that’ll put your front tires in the air. Push yourself by completing Upper Anthracite, working your way down the usually dry creek bed. Finally, test your Jeep’s limits on Barney Rubble, a rocky uphill climb and now **an official Jeep Badge of Honor trail**. Weather permitting, it features a downhill side that may be even more technical than it appears.

AAA • Ratings 6–8

Love rocks and off camber? Then AAA is for you! Start the day off with a nice new trail named 538 for a warm up. This rock winding path helps add to the difficulty testing both the jeep and the driver early. Then onto we drop into another new one for AAA, “The Toyota Trap”, with plenty of off camber and slick loose rock finesse is the key or it might become “The Jeep Trap”. Then adventure to our popular Whiskey Ridge trail, with rocky hill climb right from the start. Aggressive tires and lockers will be your friend. To finish the day, we drop into the ominous “The Pit” trail.

Rock and Rumble • Rating 8–9

Travel the same lines the 2018 Ultimate Adventure traveled with rocks, rocks, and more rocks. Warm up with Barney Rubble, **now an official Jeep Badge of Honor trail**, then move into Bam-Bam and onto Thunder Alley. Continue on to M Trail and, depending on vehicles and conditions, tackle Screaming Jimmy Hill where winch points await. From there, head to Lower and Upper Anthracite before passing through the Pit area and crossing Whiskey Ridge. Finish the day on B Line, with its ever-changing rock sections including The Big Ugly, designed to challenge both driver and Jeep.

TRAIL RATING SYSTEM

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

- 1-2** Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).
- 3-5** Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.
- 6-7** Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.
- 8-9** Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.
- 10** Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail.

Requires 4WD with 4-LO, front and rear lockers, skid plates, rock rails and an aftermarket rear differential cover.

Rubicon Trail Jeep Jamboree is limited to TJ, JK, JL and JT models only without prior approval. Jeep Renegade, Patriot, Compass, Liberty, Cherokee, Grand Cherokee, Commanders, and Wagoneers are not allowed.

During registration you will have the opportunity to discuss the trails, your driving experience, and Jeep capabilities with the trail guides. The guides will work with you to select appropriate trails. Rain may increase trail ratings 1 or 2 points, especially with street tires.

PLEASE TREAD LIGHTLY!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

A NOTE ON LAND USAGE

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas which are closed to all other vehicular access during the year.

Please be aware that access to these trail areas is allowed only by guided Jeep Jamboree USA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of Jeep Jamboree USA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund.

Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

WHAT ARE THE REQUIREMENTS FOR MY JEEP?

- **Tow points are *MANDATORY!*** Tow points may include:
 - Tow hooks properly mounted to the frame with grade six or grade eight bolts according to official Mopar installation procedures.
 - Draw bars and receiver hitches
 - Aftermarket bumpers with manufacturer installed clevis or D-ring anchor.

If you do not have tow points, you may be turned away at registration without a refund.

- **A GMRS radio is *REQUIRED!*** There are many safety issues regarding upcoming obstacles transmitted over the radio by your trail guides. You will also learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.
- Your Jeep must be street legal including a license plate and proof of insurance.

- Participant Jeep tire size shall not exceed 40". If your tires exceed 40 inches, you will be turned away at registration, will not be allowed to attend the Jamboree, or receive a refund!
- Seat belts are required in all vehicles for all occupants.
- Snowplow frames are not allowed.
- We recommend removing running boards and steps (both factory and aftermarket) if you are planning to participate in higher rated trails.
- All open-topped vehicles, including older models (CJs, Scramblers and Willy's), are required to have roll bars.
- A tow strap with looped ends is recommended. **Straps with metal hooks are not allowed.**
- A full-size spare tire is mandatory!

FREQUENTLY ASKED QUESTIONS

ARE JEEP JAMBOREES SAFE?

Our trail guides are trained to put your safety first. If they ask you to refrain from any activity or to avoid specific trails or areas, you must follow their directions. Jeep Jamboree USA does not authorize or promote any night runs. You must wear your seat and shoulder belts. If a Trail Guide asks you to wear your seat belt and you do not comply, you will be removed from the Jeep Jamboree without a refund and banned from Jeep Jamborees.

WILL MY JEEP BE GOING THROUGH WATER?

Some Jamborees may have water crossings and mud holes. Many of these crossings and holes offer a bypass. It is very important to watch and listen to your trail guide. When driving in deep water, **go very slowly!** If your engine gets wet and stalls, **do not** try to start it as you may cause serious engine damage. For additional tips on water crossings and many other off-road situations, please refer to your copy of *Jeep Jamboree USA Off-Road Driving Tips*, available at <https://link.jeeppjam.com/drivingtips>

YOU MUST WEAR YOUR NAME BADGE

When you register on-site, you will be given one name badge per participant. Please wear your name badge while at the event as it is verification of your registration, your admission to the trails and meals, and helps everyone get to know each other.

GET CONNECTED WITH OUR FACEBOOK GROUPS

Join one or more of the Jeep Jamboree discussion groups on Facebook. Ask questions, share information and photos before, during and after your great adventure.

WHAT SHOULD I BRING?

- A basic tool kit, first aid kit, tire gauge, rain jacket, and clothing for all weather conditions are highly recommended.
- An ice chest full of your favorite non-alcoholic beverages. It is important to stay hydrated!
- A full tank of gas prior to General Attendance Meeting as you will not have time to fuel up after the meeting.
- Trail snacks and a chair/blanket for the lunch stop.
- Insect repellent, Sun Block, Medications, Hand Sanitizer, Flashlight, Camera, Binoculars
- Toilet paper and Zip-lock bags for tissue disposal

MAY I BRING MY PET?

Bringing pets is strongly discouraged. If your pet must attend, you must submit a pet waiver during registration.

WHAT IS THE POLICY ON ALCOHOL, DRUGS, ETC.?

No occupants of the vehicle will possess or consume alcohol, non-prescription drugs, or be under the influence of any substance while on the trails. Doing so means immediate expulsion without a refund and those involved will be banned from all future Jeep Jamborees.

COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. You are advised to closely follow instructions given by Jeep Jamboree Trail Guides. Jamborees with higher difficulty ratings are more likely to encounter rough and challenging terrain that may contribute to vehicular damage. Any damage is the owner's responsibility.

GMRS RADIO, CHANNEL, AND FREQUENCY INFO

IF YOU DON'T HAVE A GMRS RADIO YET

Your easiest and best option is to purchase one of the recommended Midland radios. These quality radios are easy to use and are available at <https://link.jeeppjam.com/radios> and at Jeep Jamborees.

RADIO DIFFERENCES AND FREQUENCIES

In late 2017, the FCC set standards for FRS/GMRS channel numbers and frequencies. Any FCC approved radio manufactured after October of 2017 will match the channels in the chart and work for your Jeep Jamboree.

FREQUENCIES AND POWER

FRS and GMRS use the same channels/frequencies. FRS runs at lower power while GMRS runs at higher power.

LICENSING

Operating a GMRS radio requires a valid license. Any radio using the shared FRS/GMRS frequencies that is able to transmit above 2 Watts of power is considered a GMRS radio and requires a license.

WHY GMRS OVER FRS OR CB?

With FRS handhelds you may hear others on the trail, but they may not hear you. GMRS has more power, meaning you can transmit farther. GMRS offers more reliability, usability, and quality over a CB radio.

Frequency	FRS/GMRS Channel	FRS Power	FRS Bandwidth	GMRS Power	GMRS Bandwidth
462.5625 MHz	1	2 W	12.5 kHz	5 W	20 kHz
462.5875 MHz	2	2 W	12.5 kHz	5 W	20 kHz
462.6125 MHz	3	2 W	12.5 kHz	5 W	20 kHz
462.6375 MHz	4	2 W	12.5 kHz	5 W	20 kHz
462.6625 MHz	5	2 W	12.5 kHz	5 W	20 kHz
462.6875 MHz	6	2 W	12.5 kHz	5 W	20 kHz
462.7125 MHz	7	2 W	12.5 kHz	5 W	20 kHz
Channels 8-14 are low power (.5 watt) channels and are not used by Jeep Jamboree and some high power radios					
462.5500 MHz	15	2 W	12.5 kHz	50 W	20 kHz
462.5750 MHz	16	2 W	12.5 kHz	50 W	20 kHz
462.6000 MHz	17	2 W	12.5 kHz	50 W	20 kHz

462.7000 MHz	21	2 W	12.5 kHz	50 W	20 kHz
462.7250 MHz	22	2 W	12.5 kHz	50 W	20 kHz

ADDING & CHANGING PASSENGERS

Adding or changing passengers is easy via your online account at <https://jeeppjamboreeusa.com/my-account/>. Sign-in with the email address you used to register and make the changes you desire. All changes must be made 14 days prior to your trip.

TRANSFER POLICY

A transfer allows the **original purchaser** to transfer their registration from one trip to another, dependent on availability.

- A \$50 Transfer Fee will apply.
- Your Jamboree must be transferred to another event within the same calendar year
- Transfers must take place in the same calendar year.
- Transfer requests must be made at least 30 days prior to the original trip date.
- **Transfer or sale of your registration to another person is prohibited and will result in a cancellation without a refund.**

CANCELLATION POLICY & FEES

We understand that life is unpredictable. Here's a quick overview of our cancellation policy:

CLASSIC & SELECT TRIPS

- **At Booking:** \$150.00 non-refundable deposit
- **45 days from event:** No additional fee
- **15-44 days from event:** 60% penalty
- **<15 days from event:** No refund

DOMESTIC SIGNATURE TRIPS

- **At Booking:** \$1,000 non-refundable deposit
- **60+ days from event:** No additional fee
- **31-59 days from event:** 60% penalty
- **<31 days from event:** No refund
- **Please note:** Our **Vermejo, Southwest Badge Hunter, and Rubicon Trail Experience with Casey Currie** trips fall under our International Signature Trips policies.

INTERNATIONAL SIGNATURE TRIPS
