# POLICIES & REMINDERS FOR ALL 2026 JEEP JAMBOREES

## EVENT WAIVER

You are required to complete a [Release of Liability Waiver](#) for all occupants of your Jeep and bring it with you to on-site registration. All passengers in your Jeep must sign a [Release of Liability Waiver](#). A parent or the minor's legal guardian must sign and date a waiver for passengers under 18 years old. If you forget your signed [Release of Liability Waiver](#), all occupants of your vehicle must be present at registration to sign a new waiver before you can receive your event credentials.

## NEW ON-SITE REGISTRATIONS & CHANGES ARE NOT ACCEPTED

All new registrations of vehicles as well as adding, deleting, or changing passengers must be completed (14) fourteen days prior to the Jamboree date. Please refer to the refund and transfer policy on the last page of this itinerary or [www.JeepJamboreeUSA.com](http://www.JeepJamboreeUSA.com)

## MAXIMUM TIRE SIZE

Participant Jeep tire size is not to exceed 40". If you exceed the tire limitations you will be turned away at registration and will not be allowed to attend the Jamboree or receive a refund.

## VEHICLE MODIFICATIONS

- Seat belts are required in all vehicles for all occupants.
- Maximum suspension lift allowed is 6".
- Your Jeep must be street legal, registered and insured.
- Buggy-style Jeeps are not allowed.

If you have questions regarding the acceptability of your vehicle, please contact your Adventure Consultant. If you do not meet the above conditions, you will be turned away at registration, will not be allowed to attend, or receive a refund. Admission of highly modified Jeeps without prior approval is subject to the discretion of the Jeep Jamboree Event Staff.

## GMRS-COMPATIBLE RADIOS ARE REQUIRED

A working GMRS-compatible radio is mandatory for all Jeep Jamboree events. Please see the last page of this itinerary or visit <https://link.jeepjam.com/radios> for more information.

## DRONE POLICY

Many of the land owners, federal and local agencies, etc. prohibit the use of drones. Most drones require you to have a Part 107 license if you are flying over people or publish videos. Many times our stops are for bathroom breaks which are inappropriate times for drone flights. If you may legally fly your drone, permission is still required from the guides on your trail and you must not cause any delays or disruptions as determined by the guides or staff. You are responsible for any damage, fines, penalties, and/or legal action incurred in the operation of your drone.

## FOLLOW THE FLOW

When you arrive at a Jeep Jamboree, you must complete these steps in this order:

**Vehicle Evaluation → Registration → Trail Sign-Up**  
You will not be permitted to sign-up for trails until you have completed Vehicle Evaluation and Registration.

## PHOTO ID REQUIRED AT REGISTRATION

The driver of record is required to show a photo ID when presenting your waiver and picking up your registration packet.

## NAME BADGE

Each person must wear their name badge throughout the entire Jamboree. A name badge is required for meals and must be presented whenever requested by a guide or staff member.

## TRAIL STICKERS

Trail stickers provided at trail sign-ups must be displayed on your windshield prior to departing for any off-road trail ride.

## TRAIL CONDITIONS

Trail conditions can vary widely between trails and even on the same trail on different days. Factors such as weather, other Jeepers, and the line you choose all have an effect on the trail and how your Jeep will traverse it. Rainfall, even from days prior, may increase trail ratings 1 or 2 points. When in doubt, ask a Jeep Jamboree Trail Guide for guidance. Please note that Federal, Tribal and Private landowners may limit the amount of brush we are able to trim back on a trail.

## WEATHER CONDITIONS

Weather conditions can be dynamic at a Jeep Jamboree. We recommend you look at a 10-day forecast of weather conditions. Be sure to check the weather for all areas listed in the itinerary as different locations may have very different temperatures.

## TRAIL & CAMPING INFORMATION

---

- Participants will travel the trail in 3 pre-assigned groups. While traveling with your group, stay close together and keep the Jeep behind you in sight at all times..
- Camping locations are available throughout Rubicon Springs, however for those uncertain about where to go, or for any late arrivals, an area will be sectioned off and reserved. Staff members will be happy to assist with directing you to the location upon your arrival.
- Ice is not available in Rubicon Springs.
- Drinking water is provided while at Rubicon Springs. Bring water for the ride in and out.
- Once in the Springs, check the board near the meal line for the Saturday activities.
- Fires are allowed only in Main camp.
- We spend two (2) nights in Rubicon Springs. Bring medications and your camping equipment.

## SATURDAY REST AND EXPLORATION

---

Enjoy your day relaxing in Rubicon Springs. There are areas to hike (please sign in and out at the T-Shirt Shack when leaving or returning) bring a book, fish, visit with others or hike to the slabs for water play. No trail rides will take place on Saturday.

## SUNDAY DEPARTURE 8:00 – 9:00 A.M.

---

Due to the difficulty of the trail and our insurance restrictions, all vehicles must be escorted out by Jeep Jamboree USA Trail Guides. Departures take place between 8:00 – 9:00 a.m. You are not assigned a trail group for departing the Springs. Once you have your gear packed you may join the queue and head out. Trail Guides will be stationed along the trail in the more difficult spots to assist you, if needed. Depending on the flow, you can expect to reach the end of the trail in Homewood, CA in approximately 3-4 hours.

# A MESSAGE FROM YOUR RUBICON TRAIL COORDINATOR...

We're excited to have you join us for the Rubicon Trail Jeep Jamboree. Considered the "Crown Jewel" of all off-road trails, the Rubicon is one of the most iconic in the United States offering beautiful scenery and seemingly never-ending challenges.

Note that this event differs from our other Jeep Jamborees. Registration kicks things off Friday morning followed by a group breakfast. From there it's off to the trail head to face a long day of exciting challenges that only the Rubicon Trail can offer. Saturday begins with a hearty breakfast followed by a day of much needed rest and relaxation in camp at Rubicon Springs. We conclude the event with a quick breakfast on Sunday morning, after which you're free to depart Rubicon Springs and enjoy a day at your leisure on the Rubicon Trail and Mountains of the Sierra Nevada.

## IMPORTANT INFORMATION

### AVAILABILITY OF HOTELS, MOTELS, AND CAMPGROUNDS

Georgetown is a very small community with only four small hotels in town. We recommend you make your lodging reservations early. The nearest motel accommodations are 35-40 minutes away in either Placerville or Auburn.

Campgrounds are available in Coloma and Lotus. For primitive camping, we have made arrangements with the County to be able to pitch a tent or park your RV and/or trailers at the Georgetown airport. Bathrooms are available. Because of security issues, the gate to the airport must be kept closed at all times. It is usually kept locked. **Please keep the chain looped around the gate but do not lock.** An emergency contact number will be on the signs into the gated area. You may access the airport campground beginning on Thursday.

### MEALS

Your registration includes seven meals. Breakfast, lunch and dinner on Friday and Saturday and a continental breakfast on Sunday morning. Bottled water is provided while you are in the Springs. You will need to supply your own water for the ride in and out. Be sure to bring plenty as the summer heat and upper elevation can cause you to become dehydrated. We cannot guarantee that we can accommodate special dietary restrictions. If there are concerns regarding meals, please call your Adventure Consultant.

### CAMPING IN RUBICON SPRINGS

Tent sites are scattered throughout Rubicon Springs and are available on a first come, first serve basis. Sites are not numbered or structured, so you'll need to use a creative eye when looking for your special spot. Be sure to bring appropriate gear for two (2) full nights of primitive camping in Rubicon Springs. There is no running water or showers available, but portable solar shower bags or a dip in the Rubicon River are a great way to get cleaned up after a day on the trail. There are no flush toilets, but portable toilets are scattered throughout the camping area. **No ice is available in Rubicon Springs.**

### TRAIL GROUPS

Unlike other Jamborees, trail groups are pre-assigned in advance. Once with your group on Friday morning, we'll take a moment to get to know each other and address any questions or concerns you may have.

**It is extremely important that you arrive on time on Friday morning to avoid missing your groups departure and a late start to the day.**

### REST/LUNCH STOPS

Because of the length and difficulty of the trail, we do not make scheduled stops along the trail. Eat when you are hungry. There will be opportunities for bathroom stops along the way. You may always request a stop on your GMRS if needed. Others will more than likely appreciate it as well. For bathroom stops, we ask that men relieve themselves to the left of the vehicle and women go to the right. This will afford a bit of privacy. Portable toilets are not available. We do ask that all tissue be placed in a plastic bag for disposal at a later time and that solid waste be buried or packed out.

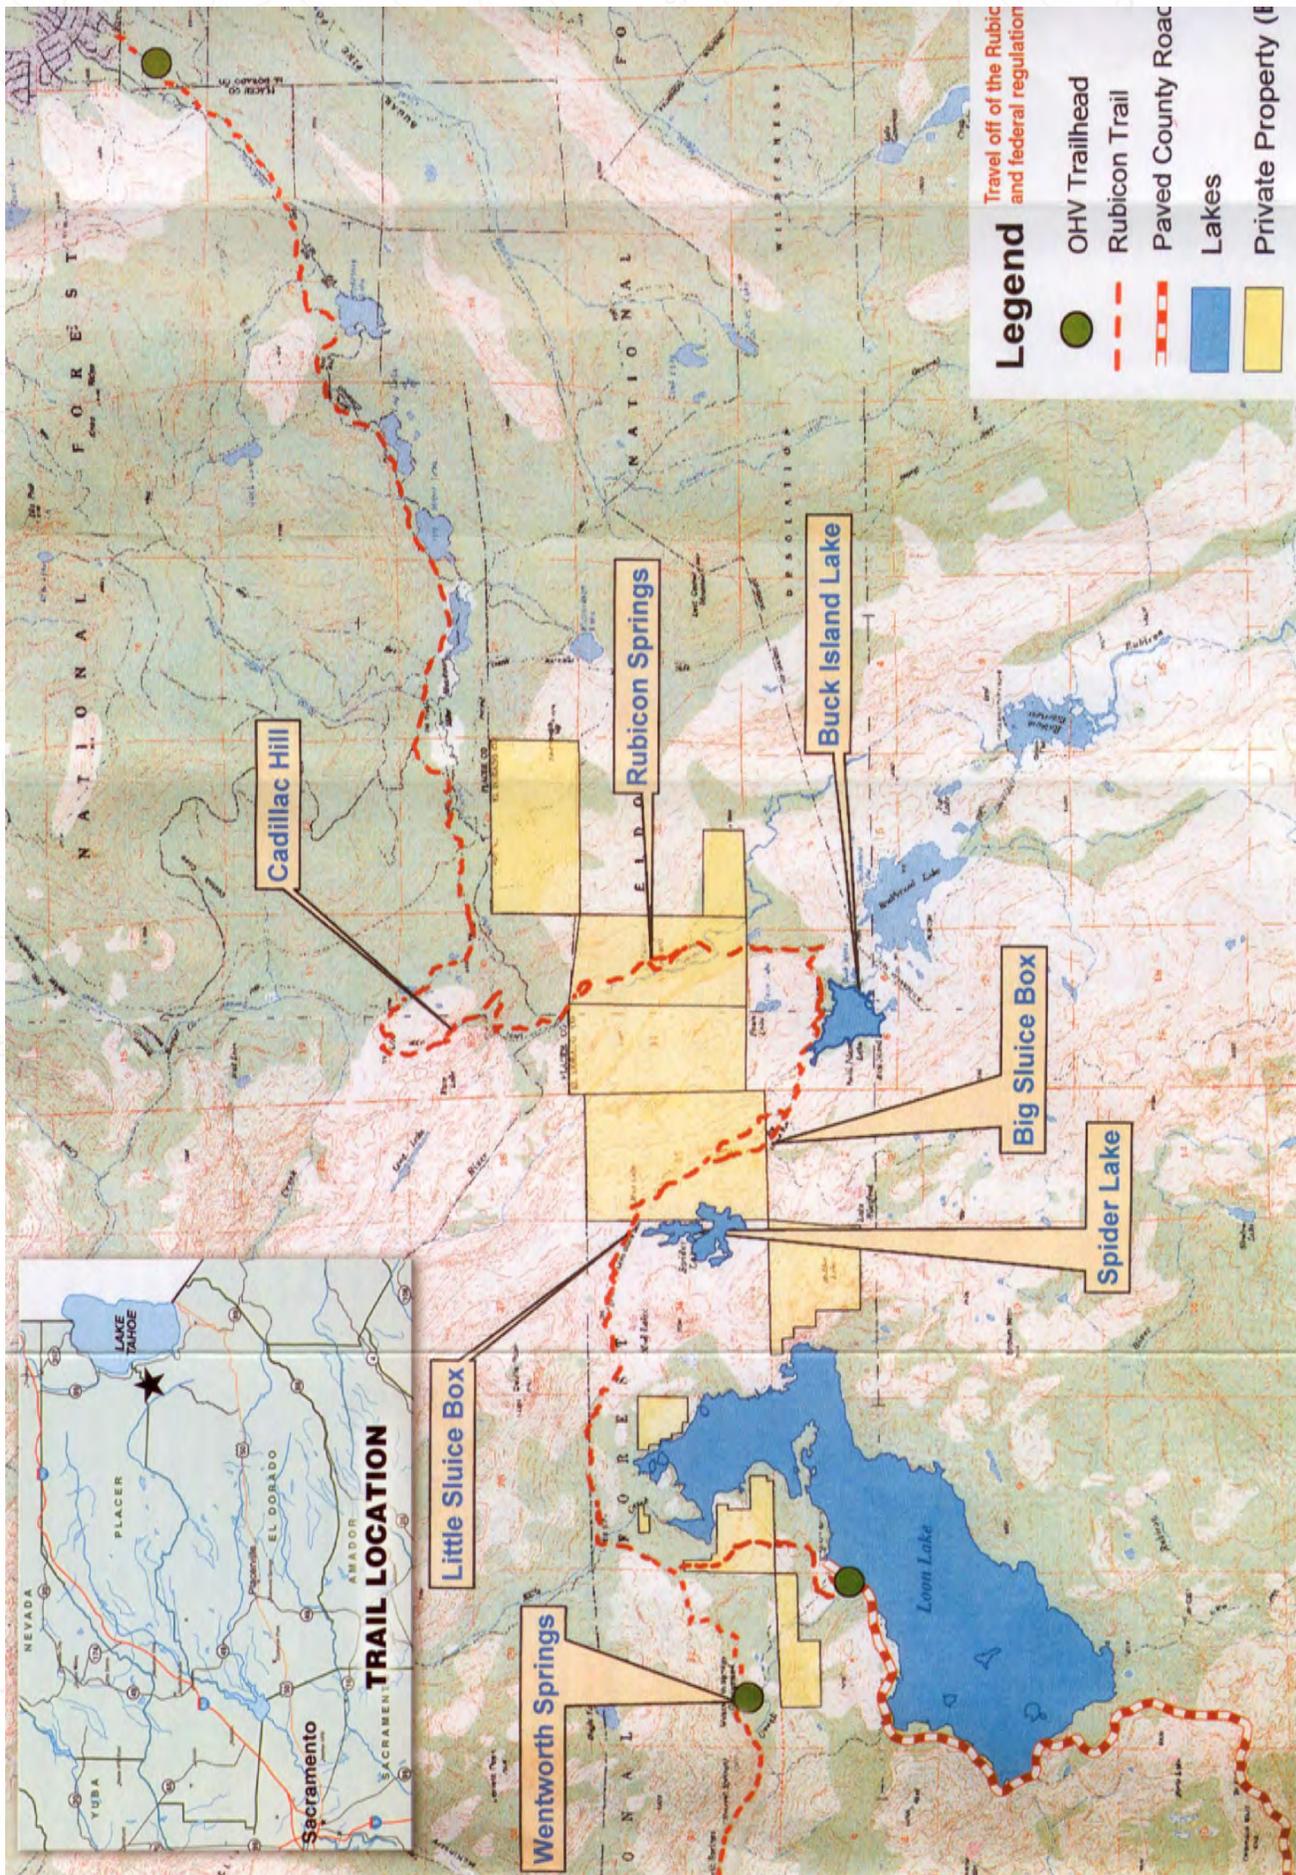

### ALCOHOL

No alcohol is to be consumed while on the trail. You're welcome to bring your own adult beverage to be enjoyed once parked in camp at Rubicon Springs.

# TRAIL RATING SYSTEM

---

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

- 1-2** Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).
- 3-5** Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.
- 6-7** Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.
- 8-9** Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.
- 10** Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail.  
  
Requires 4WD with 4-LO, front and rear lockers, skid plates, rock rails and an aftermarket rear differential cover.  
  
Rubicon Trail Jeep Jamboree is limited to TJ, JK, JL and JT models only without prior approval. Jeep Renegade, Patriot, Compass, Liberty, Cherokee, Grand Cherokee, Commanders, and Wagoneers are not allowed.

During registration you will have the opportunity to discuss the trails, your driving experience, and Jeep capabilities with the trail guides. The guides will work with you to select appropriate trails. Rain may increase trail ratings 1 or 2 points, especially with street tires.

## PLEASE TREAD LIGHTLY!

---

**T**ravel responsibly on designated roads and trails or in permitted areas.

**R**espect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

**E**ducate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

**A**void sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

**D**o your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

## A NOTE ON LAND USAGE

---

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas which are closed to all other vehicular access during the year.

Please be aware that access to these trail areas is allowed only by guided Jeep Jamboree USA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of Jeep Jamboree USA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund.

Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

# WHAT ARE THE REQUIREMENTS FOR MY JEEP?

- **Tow points are *MANDATORY!*** Tow points may include:
  - Tow hooks properly mounted to the frame with grade six or grade eight bolts according to official Mopar installation procedures.
  - Draw bars and receiver hitches
  - Aftermarket bumpers with manufacturer installed clevis or D-ring anchor.*If you do not have tow points, you may be turned away at registration without a refund.*
- **A GMRS radio is *REQUIRED!*** There are many safety issues regarding upcoming obstacles transmitted over the radio by your trail guides. You will also learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.
- Your Jeep must be street legal including a license plate and proof of insurance.

- Participant Jeep tire size shall not exceed 40". If your tires exceed 40 inches, you will be turned away at registration, will not be allowed to attend the Jamboree, or receive a refund!
- Seat belts are required in all vehicles for all occupants.
- Snowplow frames are not allowed.
- We recommend removing running boards and steps (both factory and aftermarket) if you are planning to participate in higher rated trails.
- All open-topped vehicles, including older models (CJs, Scramblers and Willy's), are required to have roll bars.
- A tow strap with looped ends is recommended. **Straps with metal hooks are not allowed.**
- A full-size spare tire is mandatory!

## FREQUENTLY ASKED QUESTIONS

### ARE JEEP JAMBOREES SAFE?

Our trail guides are trained to put your safety first. If they ask you to refrain from any activity or to avoid specific trails or areas, you must follow their directions. Jeep Jamboree USA does not authorize or promote any night runs. You must wear your seat and shoulder belts. If a Trail Guide asks you to wear your seat belt and you do not comply, you will be removed from the Jeep Jamboree without a refund and banned from Jeep Jamborees.

### WILL MY JEEP BE GOING THROUGH WATER?

Some Jamborees may have water crossings and mud holes. Many of these crossings and holes offer a bypass. It is very important to watch and listen to your trail guide. When driving in deep water, *go very slowly!* If your engine gets wet and stalls, *do not* try to start it as you may cause serious engine damage. For additional tips on water crossings and many other off-road situations, please refer to your copy of *Jeep Jamboree USA Off-Road Driving Tips*, available at <https://link.jeeppjam.com/drivingtips>

### YOU MUST WEAR YOUR NAME BADGE

When you register on-site, you will be given one name badge per participant. Please wear your name badge while at the event as it is verification of your registration, your admission to the trails and meals, and helps everyone get to know each other.

### GET CONNECTED WITH OUR FACEBOOK GROUPS

Join one or more of the Jeep Jamboree discussion groups on Facebook. Ask questions, share information and photos before, during and after your great adventure.

### WHAT SHOULD I BRING?

- A basic tool kit, first aid kit, tire gauge, rain jacket, and clothing for all weather conditions are highly recommended.
- An ice chest full of your favorite non-alcoholic beverages. It is important to stay hydrated!
- A full tank of gas prior to General Attendance Meeting as you will not have time to fuel up after the meeting.
- Trail snacks and a chair/blanket for the lunch stop.
- Insect repellent, Sun Block, Medications, Hand Sanitizer, Flashlight, Camera, Binoculars
- Toilet paper and Zip-lock bags for tissue disposal

### MAY I BRING MY PET?

Bringing pets is strongly discouraged. If your pet must attend, you must submit a pet waiver during registration.

### WHAT IS THE POLICY ON ALCOHOL, DRUGS, ETC.?

No occupants of the vehicle will possess or consume alcohol, non-prescription drugs, or be under the influence of any substance while on the trails. Doing so means immediate expulsion without a refund and those involved will be banned from all future Jeep Jamborees.

### COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. You are advised to closely follow instructions given by Jeep Jamboree Trail Guides. Jamborees with higher difficulty ratings are more likely to encounter rough and challenging terrain that may contribute to vehicular damage. Any damage is the owner's responsibility.

# GMRS RADIO, CHANNEL, AND FREQUENCY INFO

## IF YOU DON'T HAVE A GMRS RADIO YET

Your easiest and best option is to purchase one of the recommended Midland radios. These quality radios are easy to use and are available at <https://link.jeeppjam.com/radios> and at Jeep Jamborees.

## RADIO DIFFERENCES AND FREQUENCIES

In late 2017, the FCC set standards for FRS/GMRS channel numbers and frequencies. Any FCC approved radio manufactured after October of 2017 will match the channels in the chart and work for your Jeep Jamboree.

## FREQUENCIES AND POWER

FRS and GMRS use the same channels/frequencies. FRS runs at lower power while GMRS runs at higher power.

## LICENSING

Operating a GMRS radio requires a valid license. Any radio using the shared FRS/GMRS frequencies that is able to transmit above 2 Watts of power is considered a GMRS radio and requires a license.

## WHY GMRS OVER FRS OR CB?

With FRS handhelds you may hear others on the trail, but they may not hear you. GMRS has more power, meaning you can transmit farther. GMRS offers more reliability, usability, and quality over a CB radio.

Frequency	FRS/GMRS Channel	FRS Power	FRS Bandwidth	GMRS Power	GMRS Bandwidth
462.5625 MHz	1	2 W	12.5 kHz	5 W	20 kHz
462.5875 MHz	2	2 W	12.5 kHz	5 W	20 kHz

# ADDING & CHANGING PASSENGERS

Adding or changing passengers is easy via your online account at <https://jeeppjamboreeusa.com/my-account/>. Sign-in with the email address you used to register and make the changes you desire. All changes must be made 14 days prior to your trip.

## TRANSFER POLICY

A transfer allows the **original purchaser** to transfer their registration from one trip to another, dependent on availability.

- A \$50 Transfer Fee will apply.
- Your Jamboree must be transferred to another event within the same calendar year
- Transfers must take place in the same calendar year.
- Transfer requests must be made at least 30 days prior to the original trip date.

## CANCELLATION POLICY & FEES

We understand that life is unpredictable. Here's a quick overview of our cancellation policy:

### CLASSIC & SELECT TRIPS

- **At Booking:** \$150.00 non-refundable deposit
- **45 days from event:** No additional fee
- **15-44 days from event:** 60% penalty
- **<15 days from event:** No refund

### DOMESTIC SIGNATURE TRIPS

- **At Booking:** \$1,000 non-refundable deposit
- **60+ days from event:** No additional fee
- **31-59 days from event:** 60% penalty
- **<31 days from event:** No refund
- **Please note:** Our **Vermejo, Southwest Badge Hunter, and Rubicon Trail Experience with Casey Currie** trips fall under our International Signature Trips policies.

### INTERNATIONAL SIGNATURE TRIPS

- **No refunds:** Should you not be able to attend, please contact us, and we will work diligently to sell your spot. If we are able to sell your spot, we will provide a refund, minus a \$500 administrative fee. This cannot be guaranteed.
- **No transfers**

### WHY WE HAVE CANCELLATION FEES

We secure permits, book venues, order meals, and pay deposits to our partners based on your registration. These commitments are made weeks or months in advance to ensure the best possible experience. Cancellation fees help offset these non-recoverable costs.

**DUE TO UNFORESEEN CIRCUMSTANCES ALL TRIPS, EVENTS, AND TRAILS ARE SUBJECT TO CHANGE OR CANCELLATION WITHOUT ADVANCE NOTICE.**
