PARTIES

THIS COLLECTIVE BARGAINING AGREEMENT and certain specified supplemental agreements are between the parties whose names appear on the signature page hereof under the designation of "Employer" ("Employer" herein) and the United Farm Workers of America, AFL-CIO ("Union" herein), and said Collective Bargaining Agreement and certain specified supplemental agreements shall operate for the purposes of establishing uniform wages, hours and working conditions as hereinafter defined. The parties agree as follows:

ARTICLE 1

RECOGNITION

Section 1. The Employer does hereby recognize the Union as the sole exclusive bargaining agent representing all of the Employer's agricultural employees (hereinafter called "workers") in the unit set forth in Agricultural Labor Relations Board's certification in case number 75-RC-52-R. In the event the Agricultural Labor Relations Board certifies other employees not here included within the certified unit, such additional employees shall be included under the terms of this Agreement. The term "worker" shall not include office and sales employees, security guards and supervisory employees who have the authority to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward or discipline other workers or the responsibility to direct them or adjust their grievances, or effectively recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment.

Section 2. The Employer agrees that no business device, including joint ventures, partnerships, or other forms of business operations, shall be used for the purpose of circumventing the obligations of this Agreement, but if it should enter into any of these forms of operations they shall be covered by this Agreement, provided, however, the Employer's packinghouse may receive fruit for packing and

shipping from another packinghouse which that packinghouse does not have the capacity to handle.

Section 3. The Employer further recognizes the rights and obligations of the Union to negotiate wages, hours and conditions of employment and to administer this Agreement on behalf of covered workers.

Section 4. Neither the Employer nor its representatives will interfere with the right of any worker to join and assist the Union. The Employer will make known to all workers that they will secure no advantage, nor more favorable consideration nor any form of special privilege because of non-participation in Union activities.

Section 5. Neither the Employer nor its representatives will take any action to disparage, denigrate or subvert the Union, nor will they promote or finance any labor organization, including any competing labor organization.

Neither the Union nor its representatives will take any action to disparage, denigrate, or subvert the Employer.

Section 6. The Employer will make known to all workers, supervisors and officers, its policies and commitments as set forth above with respect to recognition of the Union and will encourage workers in the bargaining unit to give utmost consideration to supporting and participating in collective bargaining and contract administration functions.

ARTICLE 2

UNION SECURITY

Section 1. Union membership shall be a condition of employment. Each worker shall be required to become a member of the Union immediately following five (5) continual days after the beginning of employment, or five (5) days from the date of the signing of this Agreement, whichever is later; and to remain a member of the Union in good standing. The Union shall be the sole judge of the good standing of its members. Any worker who fails to become a member of the Union within the time limit set forth herein, or who fails to pay the required initiation fee, periodic dues or regularly authorized assessments as prescribed by the Union, or who has been determined to be in bad standing by the Union pursuant to the provisions of the Union's constitution, shall be immediately discharged or suspended upon written notice from the Union to the Employer, and shall not be re-employed until written notice from the Union to the Employer of the worker's good standing status.

Section 2. The Employer agrees to deduct from each worker's pay initiation fees, all periodic dues, and assessments as required by the Union, upon presentation by the Union of individual authorization signed by workers, directing the Employer to make such deductions. The Employer shall make such deductions from workers' pay from the payroll period in which it is submitted, provided that it is

submitted in advance of the close of the pay period, and periodically thereafter as specified on authorization so long as such authorization is in effect and shall remit monies weekly. The Employer shall provide the Union each week with a copy of its computer printout showing the name of each worker, his social security number, payroll periods covered, gross wages, total hours worked per worker, total number of workers and amount of Union dues deducted during such pay periods from each worker. The Union will furnish the forms to be used for authorization and will notify the Company in writing of dues, assessments and initiation fees within five (5) days of the execution of this Agreement and five (5) days before the effective date of any change.

Section 3. The Employer will advise new workers that it is a condition of their employment that they must become and thereafter remain members in good standing in the Union immediately following five (5) continual days after the beginning of their employment. The Employer shall furnish workers membership applications and dues checkoff authorization forms as provided by the Union.

Section 4. The Union shall indemnify and hold the Employer harmless from and against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by the Employer for the purpose of compliance with any of the provisions of this Article.

ARTICLE 3

HIRING

Section 1. The Union shall operate and maintain a facility or designate a person or persons through which the Employer shall obtain its new employees for each of its five operating areas as provided below. The Union shall notify the Employer in writing of the address and telephone number of the person or the facility for each of the Employer's five operating areas, and the name of the person in charge of the facility.

Section 2. Employees with seniority at the Company shall be recalled to work in accordance with the provisions of Article 4, and shall not have to use the facility described in Section 1 in order to be recalled by the Employer. Such employees shall report to the Union steward or other Union representative and Employer representative at the job site to verify that their name is on the seniority list before commencing work.

Section 3. Whenever at the beginning of the picking season in any of the Employer's five operating areas, the Employer anticipates the need for new or additional employees to perform any work covered by this Agreement, the Employer shall, approximately two (2) weeks prior to the date of anticipated need for such employees, notify the facility of the Union designated in Section 1 in writing, stating the

total number of new employees it needs to hire, the type of work to be performed, the estimated starting date of the work, and the approximate duration thereof. The Employer shall notify the Union promptly of any changes in the estimated starting date. However, the Employer shall give to the Union notice of the exact starting date no later than forty-eight (48) hours prior to the time it is anticipated that work will commence. If work does not start at that time the Employer shall not be liable except under Article 29, Reporting and Standby Pay.

Section 4. In the event, during the picking season in any of the Employer's five operating areas, new or additional employees are needed to perform work covered by this Agreement, the Employer shall notify the Union facility or persons designated in Section 1 of the total number of new employees needed, the type of work to be performed, the date the employees are needed, and the duration of the work. The Union shall be given forty-eight (48) hours notice, or as much advance notice as possible. If, because of an emergency, such as unanticipated weather conditions, new employees are required immediately, the Employer shall notify the Union and, if the requested workers are not furnished, only be required to wait twenty-four (24) hours before hiring workers from any other source pursuant to Section 5 of this Article.

Section 5. When the Employer notifies the Union that it needs additional employees, the Union shall use its best

efforts to furnish the requested number of workers. If the Union does not furnish the requested number of employees on the date specified by the Employer, the Employer shall be free to procure them from any other source. If the Employer secures employees under the provisions of this paragraph, it shall make available to the Union in writing within five (5) days thereafter, the names, social security numbers, date hired and job classifications of all employees so hired, provided, however, that the Union shall be entitled acting on its own, to ascertain such information from such employees at any time after twenty-four (24) hours following the hiring of such employees, provided further, that the work is not interrupted.

Section 6. When the Employer requests workers from the Union facility for jobs which require skill or experience, the Union shall refer workers who meet the job requirements. Before the Employer makes a determination that a referred worker does not meet the job requirements, the supervisor will fully explain the job duties and requirements and give the worker a reasonable time to meet the job requirements.

Section 7. If the Union knows at the time it receives a request for employees by the Employer that it will not be able to furnish the employees requested, it shall notify the Employer of this fact as soon as possible.

Section 8. It is essential that the Union have advance notice of layoffs, so that it may plan utmost utilization of

available employees. Accordingly, the Employer will notify the Union seven (7) days, or as soon as possible, prior to any layoff. Failure to give this notice to the Union shall not create any financial liability on the part of the Employer to employees. The Employer's only liability to employees who report for work shall be under Article 29, Reporting and Standby Pay.

Section 9. In the event that it is necessary to lay off employees before they acquire seniority, it is understood that if such employees are dispatched by the Union to the Company, the Employer shall not refuse to rehire them solely because they would establish seniority.

Section 10. In applying this Article, neither party shall discriminate in violation of Article 16, No-Discrimination.

Section 11. In the event the Employer commences operations in a new area (other than Coachella, Blythe, Borrego and Niland), it shall notify the Union in writing two (2) weeks in advance, where possible, and the Union may assign a person or establish a facility for supplying new employees in such area. If the Union does establish such a facility, or assign a person, or if one already is established in such area, the provisions of this Article shall be applicable. If the Union does not establish such a facility or assign a person, the Employer shall be free to

Section 12. The first five (5) workdays shall be a work evaluation period during which a new employee may be terminated for unsatisfactory work performance without recourse to the grievance procedure unless he claims that his termination was for a reason other than unsatisfactory work performance. The Employer shall provide the Union with a weekly notice of employees terminated during this period and, upon request, shall make available to the Union information as to a terminated employee's work performance. The Employer shall describe the work to be performed and give a physical demonstration of the work to new employees. An employee shall be given an opportunity to demonstrate his job performance. The supervisor shall point out the employee's mistakes in order to help him learn the job.

ARTICLE 4

SENIORITY

Section 1. Seniority shall be defined as a total length of continuous service with the Employer. A break in service terminates worker seniority. Layoffs are not considered a break in service.

Section 2. Seniority will be extended from the date of hire or rehire and seniority shall be broken for the following reasons only:

- A. Voluntary quitting.
- B. Discharge for just cause.
- C. Failure to report within three days of the date on a Notice of Recall unless satisfactory reasons are given to the Employer.
- D. When the worker fails to report to work at the termination of a leave of absence or vacation without an approved extension or accepts employment with another employer as per Section 4, Article 9, Leaves of Absence, of this Agreement.
- E. When any worker leaves the bargaining unit to accept a supervisory or other position with the Employer outside the bargaining unit.

Section 3. At the peak of each picking season, the Employer will provide an opportunity in each area for any worker to demonstrate that he is qualified to operate the forklifts which are used by the Employer in the orchards.

The time and place for said opportunity shall be announced by the Employer to all crews during the peak season. This announcement shall be posted on all bulletin boards and a copy shall be sent to the Union. The supervisor in charge will fully explain the job requirements and will give each worker an equal opportunity to qualify. The Employer will compile a list of all workers who have qualified as forklift operators and will post this list within five (5) days of the date of the qualifications tests. In the event of any vacancies or any new jobs in the classification of forklift operator, the employer will make assignments, either temporary or permanent, from this list, according to seniority.

Section 4. The Employer shall maintain and post two separate seniority lists in each of the areas in which it operates. There shall be a seniority list for forklift operators and a seniority list for pickers assigned to crews in each such area. Workers on either list shall be listed according to seniority, but subject to all other provisions of this Article. The areas in which such seniority lists shall be maintained are Coachella, Blythe, Borrego, and Niland.

Section 5. Whenever there is a layoff in the work force in any area, layoffs shall be by seniority order, with the workers with the lowest seniority laid off first, but subject to Section 7 hereof.

Section 6. Whenever the Employer recalls seniority workers in any area, the Employer shall recall by seniority order, with the worker with the highest seniority recalled first, but subject to Section 7 hereof.

Section 7. The Employer will organize the workers in work crews, of a size to be determined by the Employer, in each area according to their preference, but where workers have different seniority, seniority will prevail over preference. Workers will be laid off and recalled as nearly as possible by crew. The procedure for organizing crews will be as follow:

- A. At the time of layoff at the end of the picking season, workers will be given the opportunity to express their preference for crew assignments to be made at the beginning of the picking season.
- B. At the beginning of the picking season, the Employer will organize the workers in each area according to their preference, but in all cases seniority shall prevail over preference. The Employer will designate the crew made up of the workers with highest seniority as the "No. 1 Crew", and shall continue downward with the crew designated as "No. 2 Crew", etc. The Employer will furnish a list of crews with their seniority ranking to the Union as soon as the organization has been completed.

C. After the initial organization of crews in each area, a worker shall have the right to request a reassignment, and this request will be granted if and when a vacancy exists in the crew to which the assignment is requested, and provided that the worker accepts the seniority of that crew as to layoff during that season. The worker may request such a reassignment only once during the picking season. Season or picking season shall be defined as the harvesting period beginning with lemons and ending with grapefruit.

D. If, during the picking season, the Company decides to add workers to any given crew, it will provide an opportunity to transfer to that crew to those employees who have more seniority than any member of that crew. In the absence of any such requests, the Company shall request volunteers from the next most senior crew and transfer any volunteers upward in their order of seniority.

In the absence of volunteers, the Company shall transfer upward the worker or worker(s) with the highest seniority in the next most senior crew. Transfers of this nature shall be mandatory and subject to loss of seniority. Any worker transferred shall be laid off with the crew to which he is transferred. Upon request, the Union shall

have the right to review transfer requests maintained by the Employer.

Section 8. In recalling seniority workers after a layoff, the Employer shall give a notice in writing which shall indicate the approximate date on which the worker is to report for work. The said notice shall include the worker's name, social security number, and seniority date. The notice shall be mailed not less than two (2) weeks prior to such reporting date and shall be addressed to the worker at the worker's address as it appears on the records of the Employer.

Section 9. Recalled workers, after receiving their written notice, shall be informed of the exact date upon which work is to start by: checking or phoning the Employer office or the Union office where the exact starting date shall be posted at least forty-eight (48) hours, two (2) working days, before work is to begin. The Employer shall also notify the workers of the exact starting date by radio announcement two (2) working days before work is to begin.

Section 10. It is agreed that prior to the end of a harvesting season, at least five (5) days before layoffs begin, the Employer shall distribute a notice, in English and Spanish, to all workers, explaining the recall procedure and family seniority provisions. The attached three Appendices B, C and D shall be used for this notice.

Section 11. It shall be the responsibility of the worker to notify the Employer of any change in his or her address as it appears on the records of the Employer, and all notices required under this Article shall be sent to that address.

Section 12. A standard postcard form of notice, as per Appendix B, shall be used for all notices under this Article, and they shall be mailed first class. The Employer will at the same time mail to the Union a list of the workers to whom such notices have been transmitted, together with the reporting date for each worker. When recall notices sent to workers are returned with Postal Service notification of non-delivery, the Union shall be notified of the worker's name and the address from which the notice was returned, and the Employer shall make available to the Union, on request, any such return notice.

Section 13. If during the operating season and in case of an unforeseen emergency, such as freeze or quick change of marketing conditions, the Employer needs workers immediately, the Employer may waive the written two (2) week notification of seniority workers and use the following procedure. The Employer shall follow the procedure in Section 8 and give at least ten (10) days notice to seniority workers, and request that they respond by calling the Employer's office to indicate whether they can report on said day. If even shorter notice is required, due to above circumstances, then

the Employer may accelerate the recall of seniority workers by telephone, radio, and/or mailgram, and request that workers report within forty-eight (48) hours (two working days) for employment. Any worker contacted who fails to respond to this request to report within forty-eight (48) hours will not lose his/her right to a regular recall notice at a later date as the need for more workers occurs.

Following the accelerated recall, the Employer shall make every effort to employ as soon as possible the seniority workers who did not report. In using this accelerated recall the Employer shall:

- A. Notify the Union immediately when this need arises, giving number of workers needed, date of reporting, and reason why it is necessary to use this recall.
- B. Keep record of those contacted and their response and will give such information to Union upon request.

It is understood and agreed between the parties that this accelerated recall procedure is limited to emergency need by the Employer as outlined above and shall not be used to replace or evade the regular recall procedure.

Section 14. The Employer will notify the Union, in writing, of layoffs seven (7) days, or as soon as possible, prior to layoff, and will furnish the Union with a list of those workers to be laid off.

Section 15. Beginning with the signing of this Agreement and two (2) weeks prior to the start of an operation, or each three (3) months thereafter, whichever comes first, the Employer shall provide the Union with an up-to-date seniority list, showing the name of each worker, his or her seniority date, social security number, and job classification. The Employer shall post such seniority list on the Employer's bulletin board as follows: The seniority lists shall be posted by the Employer at the signing of this Agreement and thereafter at the start of each operation, or every three (3) months, whichever comes first, for a period of two (2) weeks.

If a question arises concerning the accuracy of the lists, the Union and the Employer have up to two (2) weeks after the posting is completed to resolve the dispute. If the dispute remains after two (2) weeks, any unresolved matters relating to the seniority lists shall be submitted to expedited arbitration.

Section 16. It is understood that the Employer and the Union may agree, in writing, to make deviations from those seniority provisions regarding application of seniority.

Upon the request of either party, the Union and the Employer may review and agree to revise a seniority provision one (1) year after the date of signing the Agreement.

Section 17. When a worker has been laid off at the end of a picking season in any area, he or she may request a temporary transfer to another area. All such requests will be granted on the basis of seniority and on the following conditions:

1. There must no longer be any need for the worker in the area from which he seeks a transfer.
2. There must be a need for new or additional workers in the area to which the transfer is requested, and all workers having seniority in that area must have been recalled.

A worker who is given a temporary transfer shall retain his or her seniority in his or her own area. The day he or she starts work in the new area shall be his or her date of hire for layoff purposes in that area.

Section 18. The Employer will provide on a weekly basis a list of workers by name, social security number, seniority date, and job classification, who lost seniority during the prior week pursuant to the provisions of Article 4, Paragraph B, 1, 2, 3, 4, or 5. It is the intent of the parties that this notice shall be included in the weekly computer printout which will be given to the Union pursuant to Article 40, Reports to Union.

Section 19. Where more than one worker has the same original date of hire, the worker with the lower last four (4) digits in his/her social security number shall have the higher seniority. For example, 0987 is a lower seniority number than 1230, and therefore shall have higher seniority.

Section 20. Where seniority employees have worked together as a family, the parties shall apply this provision to continue that custom. For the purposes of this provision, "families" shall be defined as mother, father, and children of legal working age, unmarried and living with the parents. For the purpose of determining family seniority of those families whose members have different seniority dates, the seniority date of the person registering shall be considered the seniority date for all seniority family members.

It is agreed that prior to layoff at the end of the season, the Employer shall distribute a notice in English and Spanish, to all employees in accordance with Paragraph 10 or Article 4 of this Agreement, informing them that if they desire consideration for recall as a family unit pursuant to this Article, they must register in advance with the Employer. Said notice shall be accompanied by a registration form as per attached Appendix D. The Employer, upon receipt of the registration form, shall provide for the recall of the family as a family unit, according to the seniority of the person registering.

Seniority family members who work on a part time basis shall be eligible for recall on that basis provided that full time employees are not displaced.

Registrations under the family plan shall be limited to one per family and only the parents will be allowed to register family members, e.g., a father may register a wife, son or daughter; a mother may register a husband, son or daughter. Where both husband and wife have seniority with the Company, only one child will be allowed for registration by either father or mother. Family Registration Plan will be available only during the lemon harvest.

For eligibility under the Family Registration Plan, the employee must first work during the lemon harvest, picking any commodity, until laid off by the Employer.

ARTICLE 5

GRIEVANCE AND ARBITRATION

Section 1. All disputes between the Employer and the Union arising out of the interpretation or application of this Agreement shall be subject to the grievance and arbitration procedure. The grievance and arbitration procedure shall be the exclusive remedy with respect to any disputes arising under this Agreement until this procedure has been exhausted and no other remedies shall be utilized by any person with respect to any dispute involving this Agreement until the procedure has been exhausted.

Section 2. Grievances shall be processed in the following manner:

Step 1. Any grievance shall be immediately taken up between the supervisor involved and the Union Steward. They shall use their best efforts to resolve the grievance.

Step 2. In the event the grievance is not immediately resolved, the grieving party shall reduce the grievance to writing, setting forth the nature of the grievance, and file it with the other party. A grievance regarding a discharge of an employee must be filed in writing within five (5) days of the discharge. All other grievances must be filed in writing within thirty (30) days of the occurrence of the grievance or

its discovery. The Employer and the Union shall meet within ten (10) days after the written grievance is filed. If the party receiving the second step grievance does not respond within ten (10) days, the grievance is won by the grieved.

The Union may be represented by the workers' Grievance Committee at such meeting. If the grievance is not resolved in such meeting, the party receiving the grievance shall immediately give a written response to the other regarding its position, including reasons for denying the grievance. A Union representative may fully participate in all steps of the grievance procedure.

Step 3. If the grievance is not settled in Step 2, the grieving party may appeal the grievance to arbitration by giving written notice of its desire to arbitrate to the other party within thirty (30) days of the Step 2 meeting. The arbitrator shall consider and decide the grievance referred to him. No grievance filed pursuant to this Article shall be delayed more than thirty days from the date of referral to arbitration before hearing by the arbitrator. In cases where more than one grievance is referred to arbitration, the arbitrator may hold consecutive hearings to expedite hearings. The arbitrator shall not have authority or jurisdiction to modify, add to, or detract from, or

alter any provision of this Agreement. Within that limitation his authority shall include awarding back pay to employees for any loss of earnings from the Employer, and awarding damages to the Employer in appropriate circumstances. He also shall have the authority to apply this Agreement and order compliance by all parties with the terms of the Agreement. The arbitrator in his discretion may render a bench decision, or may allow briefs, but in any event shall issue a decision in writing to the parties within fifteen (15) days after the date of the close of the hearing. The decision of the arbitrator shall be binding on the Employer, the Union and the workers. All expenses and salaries of the arbitrator shall be born equally by the parties. Each party shall pay the cost of presenting its own case.

Section 3. Both the Employer and the Union agree to a designated permanent arbitrator, _____.

If the arbitrator shall at any time be unable or refuses or fails to act, or he vacates his position, the Employer and the Union shall immediately select his successor or substitute. If selection cannot be agreed upon, either the Union or the Employer may request from the American Arbitration Association or the Federal Mediation and Conciliation Service a panel of eleven (11) arbitrators. After receipt of the list, the parties shall meet to select

the arbitrator. If the parties cannot agree upon the selection, then they shall turn to the list of arbitrators received. The person to strike first shall be determined by a coin toss. The name remaining after each party has struck five (5) shall be the person designated as arbitrator. Every six (6) months, either party may request a new list of arbitrators and require a new meeting to select a new arbitrator.

If a permanent arbitrator has not been selected according to the provisions of this Section, the parties shall meet within seven days of the date of giving written notice pursuant to Step 3, above, to select an arbitrator to hear the case. If the parties cannot agree upon a selection, both parties shall immediately request a panel of eleven (11) arbitrators from the American Arbitration Association or the Federal Mediation and Conciliation Service. The parties shall meet within ten days after receipt of this panel to strike names from the proposed panel. The manner of striking names from this panel shall be as provided for above.

Section 4. Grievances not filed or appealed within the time limits established in Section 2 shall be deemed waived. However, grievances dropped prior to arbitration shall be considered as withdrawn without prejudice to either party's position on similar matters in the future.

Section 5. The parties agree that the primary purpose of the grievance procedure is to resolve grievances as speedily as possible and to maintain good relations between the Union, the Employer, and the workers. It is recognized that there are times and that there are certain issues that may arise, which make it in the best interest of all concerned to have a resolution of the matter more quickly than provided in the above procedure. Accordingly, grievances may at the request of the grieving party and with written notice to the other party be expedited to arbitration. After such a grievance has been reduced to writing, the grieving party may request and there shall be a Second Step meeting within two (2) workdays and the responding party will immediately provide its answer in writing, if it denies the grievance, setting forth the reasons for denial. The grieving party may then request, with notice to the responding party, that the grievance be referred to the arbitrator within three (3) workdays from the written responsive answer. If such a grievance is presented to the arbitrator, it is agreed that it will take precedence, as to investigation, hearing date, and issuance of decisions over any other case.

Section 6. The arbitrator may make a field examination in any case he deems it advisable.

Section 7. In the event of a claim that Article 27, No Strikes, has been violated, the Employer may contact the arbitrator. The arbitrator shall immediately determine whether a violation has occurred. If the arbitrator determines that a violation has occurred, he shall order the employees to return to work immediately. This in no way alters the obligations of either party under the other provisions of this Agreement.

Section 8. Any claim by the Union that on-the-job conduct of any Employer supervisor is abusive of any workers' rights may be treated as a grievance, provided that such conduct has occurred on more than one occasion and is specified in detail in the grievance.

Section 9. Where possible, grievances shall be processed outside of working hours. If it is necessary to process grievances during working hours:

a. It shall be done in a manner that minimizes the interruption of work.

b. Members of the Ranch and Grievance Committees and stewards shall be permitted to leave their work (after checking with their supervisor) without loss of pay for the purpose of processing grievances and meeting with management up to a total (for all members of both

Committees and stewards) of seven and one-half (7-1/2) hours per week (not to be accumulated from week-to-week). Thus, for example, if three members of the Grievance Committee and two other members of the Ranch Committee and one steward spend one hour during working hours in a grievance meeting, this shall be counted as six hours.

c. The steward's function at Step 1 shall be performed without loss of pay.

ARTICLE 6

DISCIPLINE AND DISCHARGE

ARTICLE 14

HEALTH AND SAFETY

Section 1. The Employer and the Union are interested in the health and safety of workers while working with the Employer. It is understood and agreed that it is necessary in sophisticated farming practices today that the growers whose fruit is picked and packed by the Employer must use certain agricultural chemicals for the control of pests. The Employer recognizes that the use of agricultural chemicals must be such as not to cause injury to the workers. In order to insure the protection of the workers from chemicals which are applied by other parties, the Employer agrees to express his concern to its growers that the growers not use chemicals which are banned by law, including but not limited to DDT, DDD, DDE, Aldrin and Dieldrin. Upon request by the Union when it in good faith believes that there has been some illness or injury caused by an agricultural chemical, or that some law or regulation has been violated, the Employer will use its best efforts to secure all necessary information regarding the said chemical, such as the brand and chemical name, the date, location, and method of application, the amount, formulation and concentration, name of applicator and date of harvest.

Section 2. The Union shall cause to be formed a Health and Safety Committee (the "Committee") comprised of workers' representatives. Workers shall be responsible for returning all such equipment that was checked out to them, but shall not be responsible for breakage, unless it can be shown that the breakage is caused by a dishonest or willful act or by gross negligence, or for normal wear and tear. Workers shall be charged actual cost for such equipment broken as a result of a dishonest or willful act or by gross negligence. Workers shall give an authorization permitting a deduction for such equipment broken or not returned. Receipts for returned equipment shall be given the workers by the Employer.

Section 8. Any violation of this Article shall be subject to the expedited grievance and arbitration procedure.

Section 9. Unless otherwise provided in this Article, compliance by the Employer with all applicable federal, state, and local laws and regulations relating to health and safety shall constitute compliance under this Article.

In the event that the Union revokes the Union label or seal, it shall give reasonable notice to the Employer and the Employer agrees to return same forthwith, or if same cannot be returned then on request of Union, the label or seal shall be completely obliterated on any package, container or unit.

Section 4. Following of industry practice with respect to exchange of sizes, mixed cars, private labels or purchase of produce to fill an order shall not be considered "misuse" of the Union label or seal or a violation of any provision of this Agreement.

FAMILY HOUSING

The Employer and the United Farm Workers of America, AFL-CIO recognize that one of the most serious needs of farm workers, particularly migrant families, who help produce food for the nation, is adequate housing. This creates hardship on families, particularly the children, who must readjust to new locations and new school patterns. It is mutually agreed by the Employer and the Union that they will, when they are in agreement as to any particular piece of legislation, cooperate to encourage direct governmental action at the Federal, State, and County levels to plan, finance and construct public housing in important agricultural locations. LEMON PIECE RATE PROCEDURE

Section 1. The parties agree that the lemon picking rate chart attached hereto shall be used for the purpose of determining lemon picking rates as provided herein.

Section 2. When picking begins each day, the picking rate for that day for the particular crew shall be determined from said picking rate sheet in accordance with the following procedure:

A. Before picking begins at an orchard or block, the Employer shall announce the maximum height at which fruit is to be harvested. The height as announced by the foreman shall be measured vertically from the lowest ground level to the highest fruit to be picked. The height as announced shall determine the class on the picking rate sheet that will be used in determining the picking rate for that particular orchard or that block on that day. The Employer shall determine the maximum height of fruit to be picked.

Section 3. The Employer shall determine the size of the fruit picked in an orchard or block by making a count, twice a day, as follows:

A. The Employer shall use a standard field box of 3115 cubic inches.

B. The Employer shall take from a picker a sack of lemons which he shall use to fill the box which is used for this purpose, and he shall count the number of lemons contained in the full box. A full box shall be counted as level full to the top of the end cleats. The Employer shall not obtain lemons from the same picker more than once a day for the purpose of making the sample count.

C. The Employer shall record the count on the rate computation sheet. The crew steward or any one member of the crew may witness the count and may challenge the accuracy of the count.

D. The Employer shall, at the end of the day, average all sample counts for the day to find the average number of lemons per box for that day's picking.

Section 4. Using the attached rate computation sheet, or a reasonable facsimile thereof, the Employer shall determine the picking rate as follows:

A. It will record the number of trees picked that day. For purposes of this section, a tree which is over 50% picked on that day shall be counted as a completely picked tree. A tree which is less than 50% picked on that day shall not be recorded.

B. It will record the number of bins picked that day.

C. It will multiply the number of bins by 16 for the 3115 cubic inch box, and divide the result by the number of trees picked and determine the average yield of boxes per tree.

D. On the basis of the applicable class of trees, the average number of lemons per box, and the average yield of boxes per tree, the Employer shall determine the picking rate for that day's picking.

Section 5. The Employer shall announce the picking rate for that day's picking on the next scheduled workday, and shall give a copy of the rate computation sheet to the crew steward or other crew representative as soon as feasible.

Section 6. If the crew steward or other crew representative questions the rate, he may request and shall be granted an immediate meeting with a representative of the Employer, and may request an explanation of the computation of the rate.

Section 7. If the crew steward or other crew representative considers that the matter has not been satisfactorily resolved, he may request and shall be granted a second step grievance meeting which shall be held after working hours. Any disputes regarding the appropriate rate shall not interfere with work and shall not justify any conflict proscribed by Article 27, No Strikes -- No Lockouts.

Section 8. The above piece rate procedure shall not apply to lemons picked for juice.

Section 9. The Employer shall provide the Union with a list of the lemon groves picked by bargaining unit employees, as well as the number of trees per block, as this information becomes available.

Grapefruit Picking Rates For New Grapefruit Groves

If, during the term of this Agreement, the Company starts to harvest grapefruit in groves in which it did not harvest fruit during the 1980-1981 season, the attached picking rate chart shall be used for the purpose of determining grapefruit piece rates as provided herein.

Section 1. When picking begins each day, the picking rate for that day for the particular crew shall be determined from said picking rate sheet in accordance with the following procedure:

A. Before picking begins at an orchard or block, the Employer shall announce the maximum height at which fruit is to be harvested. The height as announced by the foreman shall be measured vertically from the lowest ground level to the highest fruit to be picked. The height as announced shall determine the class on the picking rate sheet that will be used in determining the picking rate for that block

on that day. The Employer shall determine the maximum height of fruit to be picked.

Section 2. Using the attached rate computation sheet, the Employer shall determine the picking rate as follows:

A. It will record the number of trees picked that day. For purposes of this section, a tree which is over 50% picked on that day shall be counted as a completely picked tree. A tree which is less than 50% picked on that day shall not be recorded.

B. It will record the number of full bins picked that day.

C. It will divide the number of bins by the number of trees picked and determine the average yield of bins per tree.

D. On the basis of the height at which fruit is harvested, the average yield of bins per tree and the date on which the fruit is harvested, the Employer shall determine the picking rate for that day's picking.

Section 3. The Employer shall announce the picking rate for that day's picking on the next scheduled workday, and shall give a copy of the rate computation sheet, upon request, to the crew steward or other crew representative as soon as feasible.

Section 4. If the crew steward or other crew representative questions the rate, he may request and shall be granted an immediate meeting with a representative of the Employer, and may request an explanation of the computation of the rate.

Section 5. If the crew steward or other crew representative considers that the matter has not been satisfactorily resolved, he may request and shall be granted a second step grievance meeting which shall be held after working hours. Any disputes regarding the appropriate rate shall not interfere with work and shall not justify any conflict proscribed by Article 27, No Strikes -- No Lockouts.

Section 6. The above piece rate procedure shall not apply to grapefruit picked for juice.
