

Out of Service Signage

Instructions: In conjunction with an established Fire Watch, indicate what fire protection system is out of service using the checkboxes below and post copies of this sign at all main entrances, elevator landings, and common areas on all floors.

- Fire Alarm System
- Fire Sprinkler System

**A FIRE PROTECTION
SYSTEM IS OUT OF
SERVICE**

**A FIRE WATCH IS PATROLLING THE
AFFECTED AREAS OF THE BUILDING**

**IN CASE OF FIRE
CALL 911**
