We'll meet up at the **Municipal Theatre of Piraeus** and we'll stroll down the liveliest shopping street of the town, **Sotiros Street**, to reach the Marina with the famous **Clock of Piraeus**. Let's start our gastronomy exploration with a traditional Greek breakfast: the crunchy and nutritious "**Koulouri**" sesame bread. We'll make a quick stop to enjoy a cup of freshly brewed Greek coffee paired with a teaspoon sweet on the side at a small family coffee shop of a **Smyrna Family**. Then, we'll head to the port and walk around **Piraeus Train Station**, just a few steps away from Piraeus' Port, one of the oldest and busiest neighborhoods! On our way there, we won't miss the chance to admire the post-WWII reconstruction of "**Agia Triada**" (Holy Trinity) Church.

We'll visit the local **Food Market**, where locals offer a wide range of traditional Mediterranean fresh food such as meat, fish, vegetables and fruit, olives, spices, and herbs of all kinds, and do some **traditional savory and sweet "Filo-pie" tasting!** Then, we'll find our next stop: a traditional **Greek Coffee Roastery** with a history of 100+ years!

It's time to go to our next destination and pay a visit to a **Traditional Deli** that thrives since 1922! There, we'll taste a variety of Greek products, cheeses, charcuterie, sudzhuk, and pastrami.

Now, it's time for us to visit a **traditional seafood tavern** to taste authentic Mediterranean cuisine paired with local wine or ouzo or tsipouro with a view of the port and the cruise ships. We'll please our palate with a delicious dessert, "**Semolina Halva**" or "**Kaimaki ice cream**" with flavorful teaspoon sweets on top.

Are you in for some more walking? (If not, no worries, we'll get our ride ready!) Let's finish our tour with a long walk/drive across the beautiful **Coastline** and the **Ancient Walls of the City**, enjoying the picture-perfect view of the Saronic Golf and taking a glimpse into Piraeus' history.
