

# MAKE UP BEGINNER CLASS

*Private, one on one makeup class for those wanting to learn the basics of makeup and create a daily makeup routine that works for you!*

## What We Cover:

### Skincare

- Understanding different skincare products and how they work to benefit your makeup routine

### Makeup Products + Routine

- Bring your current products and I can show you how to properly use them OR upgrade your package for a customized makeup product list to suit your skin needs, skin tone and skin type
- How to pick a foundation for your skin tone and how to apply it flawlessly
- Understanding different makeup brushes
- How to achieve a flawless everyday look and a quick and easy smokey eye

## Pricing:

- \$120 for a 90 minute, private session at my studio
- Upgrade your package to include a customized makeup product list for \$35
