

# MARINE PRODUCTS

The Marine industry relies on top-quality aluminum products to maximize part life and reduce maintenance. Boat components are keenly designed with durability, low weight, and anti-rust properties in mind. EMS aluminum offers lasting performance. Our range includes premium anodized marine pipe, durable pads, and precision-engineered marine hardware, ensuring unparalleled performance in harsh marine environments. Our long list of aluminum products are often used as rod holders, outriggers, and specialized offshore fishing gear. Browse our inventory and Request a Quote to invest in industry-leading aluminum material for your next boat project.

# Outrigger Mounts & Accessories

For more information visit the Tigress Website: [www.TigressOutriggers.com](http://www.TigressOutriggers.com)

## XD Crank Top Mount - **NEW!**

**88880** Sold as pair

- For use on sport fishing boats up to 50'
- Adjustable upper arm with 'Run' & 'Laydown' position stops
- User friendly folding crank handle with integrated drive brake.
- Upper-arm adjusting ball-bearing drive system, with integrated balance spring assist.
- Extreme duty top plate, upper arm and housings for outriggers up to 22ft in length.
- Stainless steel & bronze brushed head pivot for maximum trolling strength & durability.
- Unique invertible Tigress handle design for use on both soft and hard tops over 2" thick
- Accepts all Tigress XD 1-1/2" butt diameter outriggers and XD 1-1/8" butts using adapter
- Fits Tigress and other industry standard 4" x 6" mounting plates (four 5/16" diameter fasteners)
- Extreme-duty 316L stainless steel and anodized aluminum and sealed construction with UV protection
- 24 adjustable/locking system positions featuring Tigress XD 316L stainless steel design
- Ergonomic 316 stainless steel mirror-polished lever design with inverting ability for extra hand clearance on the thickest tops.
- User friendly underside lever actuation, with 8 optional indexable set-up positions
- Fits through all standard 3" diameter mounting plates and hard top holes
- 3-Year limited warranty

## XD Top Mount

**88850** Sold as pair

- For use on sport fishing boats up to 40'
- Unique invertible Tigress handle design for use on both soft and hard tops over 2" thick
- Accepts all Tigress XD 1-1/2" butt diameter outriggers and XD 1-1/8" butts using adapter
- Fits Tigress and other industry standard 4" x 6" mounting plates (four 5/16" diameter fasteners)
- Extreme-duty 316 Stainless Steel, anodized aluminum and sealed construction with UV protection
- 24 adjustable/locking system positions (15° increments) featuring Tigress XD 316 Stainless Steel design
- 19 upper-arm angle/locking positions (10° increments) using Tigress XD 316 Stainless Steel detent design with ambidextrous horizontal stops
- Large 3-lobe UV ergonomic knob with integral detent feature when changing outrigger elevation
- Ergonomic 316 Stainless Steel mirror-polished lever design with inverting ability for extra hand clearance on the thickest tops
- User friendly underside lever actuation, with 8 optional indexable set-up positions
- Standard 1/4" diameter locking stainless steel push-in-pin for outriggers
- Fits through all standard 3" diameter mounting plates and hard top holes
- 3-Year limited warranty

## XD Bay Series Top Mount - **NEW!**

**88870** Sold as pair

- For use on sport fishing boats up to 40'
- Accepts all Tigress XD 1-1/8" butt diameter outriggers
- 19 upper-arm angle/locking (@10 deg.) using Tigress XD 316L Stainless Steel tooth locking design with horizontal stops for Trailing and bridges
- Large 3-lobe UV ergonomic knob for changing and locking the outriggers' elevation
- 24 adjustable/locking system positions (15° increments) featuring Tigress XD 316L stainless steel locking design with HD spring return
- User friendly side operating lever
- Large 'XD' aluminum 14.5mm thick baseplate with four corner mounting
- 5/16" through x 3.000" x 5.000" 4-bolt pattern
- Fits Tigress and other industry standard 4" x 6" mounting plates (four 5/16" diameter fasteners)
- Extreme-duty 316L stainless steel and anodized aluminum and fully sealed construction with UV protection
- Ambidextrous mounting option to accommodate the side that the tri-lobe knob is positioned on
- 3-Year limited warranty

## XD Center Rigger

**88860**

- For use on sport fishing boats up to 40'
- Accepts all Tigress XD 1-1/8" butt diameter center riggers
- 19 upper-arm angle/locking (@10 deg.) using Tigress XD 316 Stainless Steel tooth locking design with horizontal stops
- Large 'XD' Aluminum 12mm thick baseplate with four corner mounting
- Extreme-duty 316 Stainless Steel and anodized aluminum construction
- Ambidextrous mounting option to accommodate the side the tri-lobe knob is positioned on
- 1/4" through x 4.050" x 2.625" 4-bolt pattern
- Standard 1/4" diameter stainless steel locking push-in-pin for outriggers
- Large 3-lobe UV ergonomic knob for changing and locking the outriggers' elevation
- 3-Year Limited Warranty
