# OUR PAST PERFORMANCE & CAPABILITIES DELIVERED

## Leadership Development and Retreat Facilitation

Designed and facilitated a two-day leadership retreat for Business Oregon's executive leadership team, incorporating strengths development, inclusive communication, and therapist-led emotional support. The retreat addressed hybrid work challenges, promoting personal growth and organizational success.

## Program Audit and Volunteer Strategy

Conducted an equity audit of the volunteer program for the U.S. Fish & Wildlife Service's Tualatin River National Wildlife Refuge, providing actionable recommendations to improve recruitment, training, and retention efforts while fostering inclusivity and alignment with the Urban Wildlife Conservation Program.

## Strategic Planning Services

Facilitated a collaborative five-year strategic planning process for Beth-El Center, integrating stakeholder engagement, visioning workshops, and actionable strategies to address homelessness. Delivered a comprehensive framework emphasizing operational excellence, leadership development, and community engagement.

## Human Resources and Organizational Strategy

Developed and implemented an HR strategy for Healthy Mothers, Healthy Babies Coalition of Georgia, enhancing organizational performance through HR analysis, comprehensive metrics, and leadership coaching, improving talent retention, communication, and hybrid workplace navigation.

## Recruitment Strategy Development

Provided tailored recruitment support to KIPP Metro Atlanta Schools, overcoming talent acquisition challenges by identifying and hiring top-tier candidates for pivotal roles, improving productivity and operational efficiency.

## Performance Management and HR Strategy

Collaborated with PadSplit to develop comprehensive people operations policies, ensure compliance with federal employment laws, enhance employee experience, and implement a performance management framework to support the organization's high-growth phase.

## CEO Evaluation and Leadership Development

Partnered with Rural Community Assistance Corporation to design a transparent and equitable CEO evaluation framework, incorporating 360-degree feedback and aligning leadership performance with organizational goals to promote accountability and strategic growth.
