About Us

From the modest beginning back in 2000, UMAR and WSR evolved and went from strength to strength throughout the third decade as UW Group, operating with an expanding base of reputable principals, a series of shipyards and network of service stations, to match the outstanding services

The group takes great pride in its position among industry leaders, acknowledged and awarded for outstanding accomplishments. We persistently set the benchmark for quality, propelled by passion, integrity, and an unyielding commitment to surpassing expectations. Our mission statement has always been clear, "To become a worldwide leading provider of high quality, comprehensive and cost-effective services to the maritime industry".

Operating from strategic locations in Cyprus, Greece, Singapore, UAE, and China, the Group caters to a diverse clientele on a global scale. UMAR | WSR work together seamlessly to ensure a harmonious workflow, delivering unwavering and reliable services centered on assistance and counsel. Committed to offering a comprehensive range of maritime solutions, the UW Group remains steadfast in its dedication to serving as a one-stop shop for all maritime needs.

We are UW Group

The characteristics that define the company are unmistakable: Unparalleled commitment, quality products, dedicated service, a personalized approach, and expert know-how.

At UW Group, we pride ourselves on our distinctive approach. We foster a team culture rooted in values and expertise, where every member is embraced as family, and our clients are regarded as family friends. Far from ordinary, UW Group sees the maritime industry not just as a business, but as the essence of life itself. We challenge conventional business norms in pursuit of innovation. We firmly believe in the power of individuals pursuing their dreams, celebrating the very essence of existence.

Aligned with our philosophy, heritage, culture, and our history, we hold prestigious ISO certifications – ISO 9001, ISO 14001, ISO 22301, and ISO 37001 – bestowed upon us by the esteemed ABS Group. These certifications underscore our dedication to quality management, environmental sustainability, business continuity, and anti-bribery measures.

Our Vision

To set the new standard in the maritime service industry and to be better than the promises we keep.

Our Mission:

To become a worldwide leading provider of high quality, comprehensive and cost-effective services to the maritime industry.

Our Values:

Sustainability
Integrity
Respect
Innovation
Commitment
Accountability

UMAR Services & Principals

Our philosophy is to ensure that everything we offer, every principal we represent, reflects our brand's emphasis on quality and high service standards.

It is with this philosophy in mind that we carefully select our principals and why they choose UMAR to represent them.

Today, UMAR represents some of the world's leading manufacturers of maritime equipment. From highly sophisticated electronic systems, electrical and mechanical equipment to uniquely developed equipment that serve specific aspects of the shipping industry, we have created a global network able to supply for any task regardless of size, complexity, or time frame.

THE PRODUCTS

UMAR can offer the highest level of quality products regardless of size, complexity, time frame, or location.

- Engine Room Machinery
- Deck Equipment
- Cargo Handling Gear
- Hull Machinery
- Bridge Equipment
- Accommodation Equipment
- Spare Parts and services

WSR Services & Principals

At WSR, worldwide resources are our greatest asset and the most important differentiating factor. Through exclusive representation, WSR offers its clientele strategically located ship repair yards, underwater services, riding squads, repair stations, chemical supplies, engine components reconditioning, marine coatings, and liner wear measurement, worldwide.

Reliable services cover all aspects of shipping and the respective maritime needs, including new builds, dry dock repairs, modifications, and conversions.

Prompt delivery schedules, response time, cost-effectiveness and professional expertise in the field have earned WSR an enviable reputation and a sustainable market share within the industry.

- LDM/CTM services worldwide.

Community Engagement

Our Community Spirit

At UW Group, we're deeply committed to excellence and actively contributing to our community's well-being. Our group is a proud and active member of CYMEPA and HELMEPA, consistent in our support of their work. These organisations represent our commitment to the protection of our marine environment. The UW Group has also been named a Great Place To Work®, highlighting our commitment to our employees, collaborators, and clients for delivering exceptional services, consistently.

ESG Standards

Guided by a socially conscious corporate ethos, our group adheres to Environmental, Social, and Governance (ESG) standards. We are constantly and consciously demonstrating our belief in responsible business conduct; with integrity, promoting fair competition, and actively participating in community events while supporting cultural, educational, and artistic initiatives.

Non-Profit & Community Engagement

The UW Group has established The Life Jacket Foundation, dedicated to supporting the welfare of children locally and globally through aiding individuals and companies working with children. At UW Group, we firmly believe that business success should be synonymous with making a meaningful impact on the world, this is why we're committed to enriching our community through ongoing action and dedication.

Beyond our foundation and business pursuits, we're deeply engaged in various community service projects aimed at enhancing lives and preserving the local environment. Whether it's organizing beach clean-ups, volunteering at sports events, or hosting forums for impactful discussions, we're committed to giving back.
